

BROUGHTON

HIGH SCHOOL

Newsletter No 10

11th November 2019

Dear Parents,

This morning we held our whole school Remembrance Assembly. Special thanks to **Megan Sloan 9N** who played the Last Post with Mr Shepherd. We also listened to some war poetry, 'In Flanders Fields' read by **Lucy Rafala 11B** and 'Poppies' read by **Eleanor Grange 11H**. Immediately after the assembly I laid a wreath on behalf of the school at the Broughton Memorial with **Tom McDonald** (Head Boy), **Caitlin Harmer** (Head Girl), **Nathan Holmes** (Deputy Head Boy) and **Emma Sweeney** (Deputy Head Girl).

In the plethora of election coverage, you may have missed last week's news item highlighting ***This is Engineering Day*** which was last Wednesday. The Royal Academy of Engineering is striving to change the cliched, stereotypical image of an engineer as a man wearing a hard hat and a high viz jacket. At present, just 12%

of engineers are women and 9% from an ethnic minority background. Unfortunately, many young people perceive engineering as technical and boring, but with the advancement of AI and computer technology, a career in engineering presents significant opportunities. Engineers play an essential role in our society from developing medical technologies such as brain scanners and clean energy solutions, to powering social media platforms and smartphones we rely on to keep in touch. Brands across the UK that depend on engineering

include BBC, Facebook, Ocado, BAE Systems, Shell UK, National Grid, Network Rail, ITV, Google ... the list is endless. Even more enticing for young people, apparently there is a skills shortage of approximately 50,000 people a year. Many of the high-profile engineers have their own apprenticeship schemes for 16-25 year olds, involving considerable training and pay. Apparently the average BAE Systems Apprentice annual salary is £20,839, which is 22% above the national average. If you want to know more, you can Google 'Engineering', by asking Alexa 'Alexa, what does an engineer look like?' or contact our Careers Advisor, Paula Askew (careernorth@broughtonhigh.co.uk).

As you are probably aware, **Friday 15 November** is 'BBC Children in Need' Day and traditionally the pupils are **allowed to wear non-uniform** if they **donate £1** to this charity.

If you are a parent of a pupil in Year 11 you will be aware of the importance of the **GCSE mock examinations** which begin on **Monday 2 December**.

GCSE Examinations

**YEAR 11 MOCK GCSE EXAMS
BEGIN ON MONDAY 2 DECEMBER**

AND CONCLUDE ON FRIDAY 13 DECEMBER

Every pupil should now be revising as part of their homework schedule.

As a parent, insist they spend a **minimum of TWO HOURS per night**.

Packs of **revision cards**, a **revision timetable** and **revision materials** are available.

MOCK GCSE RESULTS DAY WILL BE ON THURSDAY 9 JANUARY 2020.

GCSE SUMMER EXAMS BEGIN ON 11 MAY 2020 (COMPUTER SCIENCE, RS)

AND CONCLUDE ON 12 JUNE 2020 (PHYSICS, COMBINED SCIENCE)

JCQ EXAM CONTINGENCY DAY IS 24 JUNE 2020

The **first of two Year 11 Parents' Evenings** is on **Thursday 28th November 2019 from 4.15-7.15pm**. As always, if you are happy or unhappy with any aspect of life here at Broughton, please do not hesitate to get in touch. My email address is morrisc@broughtonhigh.co.uk.

SHOEBOX Gift APPEAL

It is that time of year again when we begin to make preparations for Christmas. Filling a shoebox with gifts for a child less fortunate than ourselves has become part of the Christmas season for some people. Why not continue the tradition, or try it for the first time?

Shoeboxes can be delivered to Learning Support from now until Christmas, when they will be delivered to International Aid Trust who arrange delivery of them overseas.

<http://internationalaidtrust.org.uk/get-involved/shoebox-appeal/>

Thank you in advance for your kindness.

Mrs Hardman

Geography

1. The 7 continents of the world are **Europe, Asia, Africa, North America, South America, Oceania, Antarctica.**
2. Erosion is the **wearing away and transport of weathered material.**
3. Weathering is the **breaking down of rock in situ.**
4. The **North Sea** is the sea to the east of the United Kingdom.
5. HDI stands for **Human Development Index.** It is a statistical tool used to measure a country's overall achievement in its social and economic dimensions.
6. The four types of coastal erosion are **attrition, abrasion, solution and hydraulic action.**
7. **Brazilia** is the capital of Brazil.
8. The largest ocean is the **Pacific Ocean.**
9. Only **2%** of light reaches the floor in the tropical rainforest.
10. A magnitude **7** earthquake hit Haiti in January 2010 where an estimated 250,000 died, and at least 300,000 were injured.

Jenna Culshaw's Night Bike Ride

in support of

St Catherine's Hospice

On the evening of Friday, 8th November, **Jenna Culshaw**, 10S, completed a **30 mile charity bike ride to raise money for St Catherine's Hospice.** Jenna started at 10pm on Friday and finished at 2am on Saturday morning.

All went smoothly, although it was an extremely cold night with sub-zero temperatures at one point! To date Jenna has raised £450 for this very worthy cause.

If you would like to sponsor Jenna her justgiving page is:

Sporting News - Hockey

Last week we were host to private school Westholme in our opening game of the season for the under 16 hockey team.

Our team was captained confidently by **Abbie Mason** and coached by **Jenna Culshaw**.

The girls all worked extremely hard and had the majority of possession through the game with superb individual and team performances. We scored an early goal after some fantastic passing around the D with **Libby Chapman** finding the final shot on goal to put us 1-0 ahead. The final score was 3-1 after a couple of goal scrambles and a short corner. A rematch is due to be organised for the near future.

Well done to all who were involved:

**Holly Jemson, Abbie Mason, Caitlin Harmer, Libby Chapman,
Molly Parkinson, Victoria Latham, Isabella Finley, Alex Morris,
Emma Mews, Emma Bradley, Emma Walsh, Jenna Culshaw,
Emma Hurst, Emilia Barker, Halle Nicholson, Ivena Stirzaker.**

Miss Lupton

Sporting News - Badminton

The **U16 girls' badminton team** performed extremely well in the Preston schools' finals night at St Cecilia's last Tuesday.

Emily Dainty won 15-2

Molly Capps won 15-6

Lois James and **Megan Vaughan** won 15-9 in doubles

The U16 girls now progress to the county finals in the near future.

The **U14 girls' badminton team** also played on the same night against the opposing team's under 16 girls.

Despite competing against players from a higher age category, the Broughton team was very successful.

Sarah Reid won 11-9

Megan Sloan lost 13-11

Jessica Anderson and **Emilia Vickers** won 11-5 in doubles

Sarah Reid and **Jessica Anderson** won 11-6 in doubles

Megan Sloan and **Emilia Vickers** lost 11-8 in doubles

Miss Lupton

Computer Science Master Class at Runshaw College

Five talented Year 11 Computer Scientists (**Tyler Read, Felix Hammond, Robbie Eskdale-Lord, Ashleigh Panter** and **Jonathan Powell**) took part in the 'Man and Machine Harmony' master class at Runshaw College on Tuesday 5th November 2019. They spent most of the day at the College where they took part in various Computing activities together with a number of other local schools.

Pupils had the opportunity to do some programming in Java and C#, which built upon their Python programming skills learnt at Broughton. The College kindly provided lunch before the pupils were dropped back off at school for period 5. We would like to thank Runshaw College for kindly sponsoring and hosting the trip.

Mr Yasin

New Paddlesport Instructor

Lucy Bracken, 10S, has been awarded BCAB Level 1 Paddlesport Instructor by the British Canoeing Awarding Body. Lucy was assessed in a Kayak but is just as happy in a Canoe and Stand Up Paddleboard.

Lucy started kayaking in June 2016 with Ribble Canoe Club where she completed her 1 Star Award. The following summer Lucy completed her 2 Star award in a kayak and canoe and has been a regular paddler on many club trips to increase and affirm her knowledge/skills. She has spent many hours this year assisting with the coaching of our youth group and, on one of the clubs many PaddleStart nights, Lucy had the opportunity to teach the teacher when Mr Brandwood and Mrs Follett came for a session.

Last year Lucy became the voice of the youth members when she volunteered to join the committee as the youth representative. Lucy has spent over 20 hours in the last few weeks training and being assessed, which has resulted in her becoming one of the youngest paddlers to become a Level 1 Instructor and the first for her club. This has been made possible due to a change in policy which allows anyone over 14 years of age to become an Instructor. As the chair of Ribble Canoe Club and fellow coach, I would like to congratulate Lucy on her hard work and achievement and look forward to seeing her grow in the role. If you have ever wanted to try a Paddlesport, ask Lucy, I am sure she will be pleased to introduce you to the sport.

Mr Kingaby

Amber Hussain achieves Level 1 in Kickboxing

I was delighted to learn recently that **Amber Hussain**, 7N, has achieved her **Level 1 in Kickboxing** and has also achieved **star trainer of the month**.

Amber had her first interclub fight at the end of October and performed very well. Many congratulations on your achievements.

Mr Morris

Year 10 Food Preparation and Nutrition Visit to Dewlay Cheese Factory

Last Monday, the Year 10 Food Preparation and Nutrition group went to the Dewlay cheese factory to see the process of making cheese on a large scale. On arrival we were greeted with refreshments and given an engaging talk about the history of Dewlay. We then had a tour of the factory and spoke about the different stages of the process, which all pupils found very interesting.

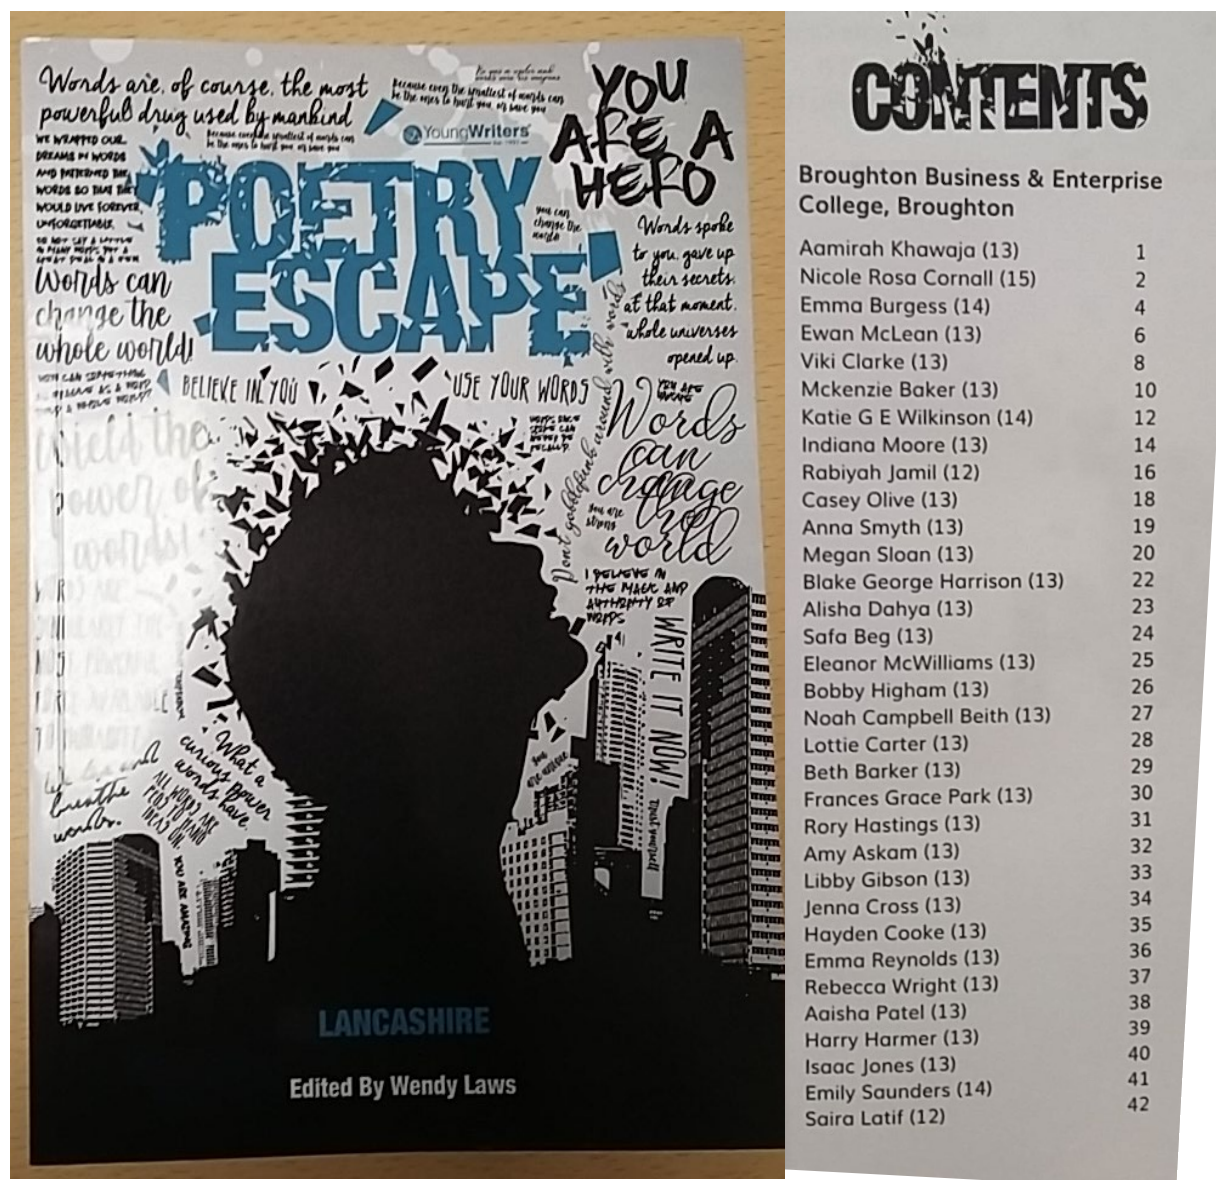

Pupils were given a tasting session where they were able to compare the different cheeses produced. A huge well done to all pupils whose behaviour was superb.

Miss Farrow

It's here!

I have now had the privilege of unpacking and distributing copies of 'Poetry Escape', the anthology in which the work of 36 Broughton High School pupils has been published.

Well done, everybody! Watch out for future competitions and publication opportunities.

Miss Winter

Maths Week England

This week is Maths Week England and pupils, in all year groups, will be taking part in a quiz throughout the week against other schools from around the country. Maths Week England is a new initiative to raise the profile of mathematics in England and increase participation and enjoyment. Northern Ireland and Scotland already have established Maths Weeks – these have been very successful, but until now there has been nothing equivalent in England.

Mr Peterson

Pedestrian Road Safety - Assembly for Year 7 Pupils

Last week Year 7 had a performance assembly on the theme of pedestrian road safety called "Streetwise", courtesy of Lancashire County Council.

The performance lasted thirty minutes with another thirty minute workshop about the dangers of being silly when out in busy places.

Through an interactive and light hearted story, delivered by Performance in Education, pupils were given invaluable advice about where it is safe to cross, how to avoid accidents and incidents that could put their lives in danger. The pupils really engaged with the characters and took part in the workshop with great maturity.

Miss Cross

Anna Clancy Remembrance Day 2019

On Sunday, 10th November, **Anna Clancy**, 9R, had the honour of being one of the flag sentry on the Cenotaph at Preston's Remembrance parade.

Anna was recently awarded the **Cadet of the Year** award from 341 Preston Squadron and she was subsequently promoted to Corporal.

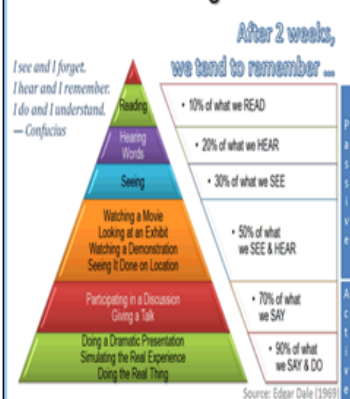

Anna has only been with the RAF cadets for one year, and to be chosen to be part of the Remembrance Parade sentry is a great achievement

Revision Techniques

Active revision is the key!
Reading through notes is not good enough.

The Cone of Learning

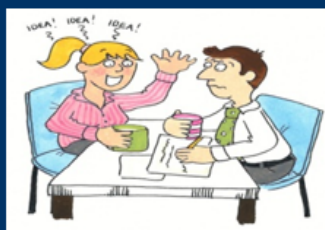

Did you know that creating things dramatically helps your memory and retention skills?

Teach it!

Test your child.

Let them be the teacher!

Once they have revised a topic, they could try teaching you.

Girls' Netball - Years 9 and 10

The Year 9 and 10 girls' netball teams played against Ashton on Tuesday, 5th November. Both teams played extremely well as reflected by the goal difference, beating Ashton 23-11 and 40-4. The Year 9 players of the match were **Olivia Kirnon** and **Lily Baines**. And the Year 10 player of the match was **Daniella Martin**.

Well done to all the following pupils:
Lily Baines, Lottie Carter, Eva Jones, Olivia Kirnon, Charlotte Parkinson, Emily Rankin, Jasmine Wood.

Emma Bradley, Isabella Finley, Victoria Latham, Daniella Martin, Emma Mews, Alex Morris, Molly Parkinson.

Miss Whittaker-Bryan

Word of the Week

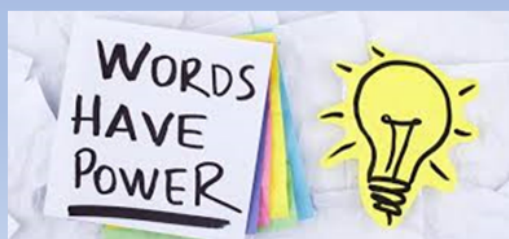

IRIDESCENT - adjective

Showing luminous colours that seem to change when seen from different angles.

Examples:

The iridescent glow from the lamp light was magical in the rain.

The setting sun cast an iridescent sheen on the lake.

Animator

**National
Careers
Service**®

£14,000 - £36,000 per year

35-40 hours per week (evenings/weekends possible)

4 or 5 GCSEs at grades 9 to 4 (A* to C) for a level 3 course such as A-levels in art & design or a level 3 course at college such the Level 3 Diploma in Games, Animation and VFX Skills. You can then go on to do a degree in animation, animation production or visual effects or an apprenticeship in creative and digital media, or visual effects.
