Newsletter No 13

2nd December 2019

Dear Parents,

Following each review, I meet one pupil from each tutor group who has been nominated by his/her tutor for routinely always trying his/her best. These pupils have narrowly missed out on a merit trip or commendation, but nonetheless deserve praise and recognition. We are extremely fortunate to have so many such children like this at Broughton.

Pupils recognised following Progress Review 1:

- Year 7: Mya Cassidy (7B), Bobby Shorrock (7C), Adam Ahmed (7H), Emilia Campbell (7N), Harry Ferguson (7R), Daniel Connell (7S).
- Year 8: Ewan Meacher (8B), Jack Barratt (8C), Daisy Leatherland (8H), Blake Fieldhouse (8N), Anna Lenton (8R), Keira Harrison (8S).
- Year 9: George Harrison (9B), Maxwell Jones (9C), Jasmine Wood (9H), Isaac Jones (9N), Hannah Parkinson (9R), Felix Coxon (9S).
- Year 10: Dante Bragagnini (10B), Abbey Greaves (10C), Rian Bowes (10H), Beth Millar (10N), Simran Singh (10R), Jodie O'Melia (10S).
- Year 11: Charlie Askam (11B), Max Cowell (11C), Jac Isbister (11H), Lucy Pooley (11N), Dylan Lawrenson (11R), Samuel Hyde (11S).

Very well done.

There is a hardly a week goes by without a different piece of research confirming **the importance of reading** in a child's development. Your child was taught to read at primary school and doubtless you supported this process by ensuring they brought home reading books and you listened to them read. Once at secondary school, parental involvement in reading tends to wane and I strongly encourage you to help your son/daughter to read as often and as widely as possible. Here are a few ideas to get your teenager reading again:

BROUGHTON

Headteacher's Special Award

Emilia Campbell (7N)

- **Keep reading material all over the house**, including the bathroom; wherever there is a captive audience!
- Model reading. If your son/daughter sees you reading, conversation naturally follows.
- **Graphic novels** (once dismissed as comics) are now recognised as literature; they may be the key to getting your teenager hooked on books.
- **Merge movies with books**. Offer your son or daughter the print version to read before a big film adaptation comes out on film.
- Buy them a book as a present. Any number of websites recommend books for teenagers.

Thank you to all parents of **Year 11** pupils who attended last week's **Parents' Evening. Attendance was 93%** which was a further indication of the support we receive and the value of parents and staff working together cannot be emphasised enough.

If you are a parent of **Year 7**, please make every effort to attend **the PTFA Family Social Event** being held on **Wednesday 11**th **December at**

The department is also preparing to take a large number of pupils and ensembles to Austria in the summer where they will be able to perform in the famous Mirabell Gardens in Salzburg (as featured in the Sound of Music), on the bandstand by the lake in Zell-am-See and in the piazza in Schladming. Musicians will also be able to visit Mozart's birthplace and sample the famous Mozartkugel chocolates!

As a result of the strong support of both the school and parents through attendance to concerts, significant investment has been made since September to the Music Department facilities. 'Music 1' has been transformed into a performance suite with five brand new band rehearsal stations. Through close involvement with Roland, one of the leaders in music technology, each station contains top of the range electronic drum kits, electric pianos, microphones and HS-5 session mixers. We have also purchased three new bass guitars and have had all of our existing electric and bass guitars serviced. The stations will allow up to five bands to rehearse simultaneously and silently. Each pupil is able to control their own 'mix' enabling them to rehearse their own part or rehearse as a band. Each station is connected to the department's PA system so that performances can be shared with group and the session mixers can also record everything the pupils play. All pupils across the school will now have access to this both in lesson

'Music 2' has also had investment with new software that enables pupils to compose with high quality software synthesisers and orchestral instruments. Pupils can also now access 'Focus on Sound' both within and outside of school which is a comprehensive learning platform that caters for all pupils up to KS4.

Congratulations to **Eleanor Grange** (11H) who has been invited by Lancashire Schools' Jazz Orchestra (LSJO) to be the ensemble's lead vocalist. This is a fantastic achievement considering the number of pupils and schools from across Lancashire that are involved. Well done Eleanor!

If any pupil wishes to sign up for instrumental lessons, there are spaces available, particularly on the brass and woodwind timetables. The Music Department has instruments available should pupils wish to borrow an instrument for lessons. Please see Mr Shepherd for a letter.

I look forward to seeing as many of you as possible at our upcoming concerts and thanks, as always, for your support of the Music Department and our pupils. Our **Carol Concert** takes place on **Monday 16th December** at **Fulwood Methodist Church from 7pm** and is free to attend. On **Tuesday 17th December** at **7.00pm** we have our **school Christmas Concert**, featuring a wide range of ensembles and soloists. **Tickets**, which can be purchased **from the General Office**, are **£5.00 for adults and £3.00 for concessions**, raising funds for the department and facilities. Both events promise to get you in the festive spirit!

Word of the Week

LEGITIMATE - adjective

Conforming to the law or to rules/able to be defended

Examples:

She had a legitimate reason for being as angry as she was.

The pre-war letter was proved to be legitimate.

Following a whole school vote, the charity which pupils chose to support for 2019-2020 is the **North West Air Ambulance Charity**.

The North West Air Ambulance Charity takes advanced healthcare to scene; reaching, treating and transferring patients to definitive care as quickly as possible and working collaboratively with its partners to ensure patients are transferred to the best treatment centre thus improving chances of survival and reducing the risk of long term injury.

Just as many critically injured patients would not survive without this service, the North West Air Ambulance Charity would not exist without funding. The service is funded by the generosity of the public through donations, fundraising activity, lottery membership and through its network of retail outlets, who provide vital charitable funding to keep the service flying.

Shoeboxes can be delivered to Learning Support from now until Christmas, when they will be delivered to International Aid Trust who arrange delivery of them overseas.

It is that time of year again when we begin to make preparations for Christmas. Filling a shoebox with gifts for a child less fortunate than ourselves has become part of the Christmas season for some people. Why not continue the tradition, or try it for the first time?

Thank you in advance for your kindness.

Sporting News - Basketball

In recent weeks, the boys began their basketball season, kicking off their Lancashire Cup League games against local opposition.

The **U14 team** hosted Our Lady's, Preston. The beginning of the game was tight in the first quarter, with Our Lady's pulling ahead 8-4 in the first five minutes. After that, Broughton began to play much better as a team and performed the basics in defence very well with **Jacob Barry** scoring freely at the other end. This was a continued trend in the second quarter with **Daniel Blackwell** taking over where Jacob left off. The **final result was Broughton 49 - 16 Our Lady's**. It was a great team performance, especially in defence, that won the game.

The MVP was Jacob Barry with 16 points and Daniel Blackwell closely behind with 12.

Harry Harmer, Archie McLeod, Oliver Williams, Charlie Sharkey, James English, Dan Eastham, Adam Alker, Jacob Barry, Daniel Blackwell, Harrison Hall, William Sant, Isaac Jones.

The **U16 team** travelled to Longridge for their first game. This was a very even, competitive game, with the scores staying level throughout all four quarters. At the start of the final quarter of the game, Broughton were losing by two points and needed to close out the opposition. With five minutes to play the scores were level. **Nathan Holmes** gained some valuable free throws after being fouled going to the basket. With two minutes remaining, Broughton went two points up to set up a tense finish to the game. Again, with some expert defending, the boys managed to hold on and keep Longridge out for the quarter. **Final score Broughton 22 - 20 Longridge**.

The MVP was Nathan Holmes.

Archie Turner, Nathan Holmes, Joe Anderson, Aaron Allen, Jack Blackwell, Jack Dunsmuir, Matthew Judge, Sam Kellett, Tyrell Smith.

On Friday afternoon, we travelled to Dallam School in the Lake District for the third round of the English Schools Cup. As predicted, it was a tough match but the team performed exceptionally well. They worked hard as a team to produce scoring opportunities and even after hitting the crossbar twice in a row they managed to find the back of the net with a fantastic dribble through and shot on goal from Daisy Mason and a superb free kick from Fran Lyons finding the top corner. We look forward to the next round in the coming weeks

Well done to all the girls for their tremendous efforts.

Reverse Advent Calendar Christmas Appeal - Collection for Local Children in Need

As the holidays approach, we are taking time to think about those in our community who are less fortunate than ourselves. As a school, we are undertaking a Reverse Advent Calendar. Every day, for the next two weeks, pupils will be allocated a day on which we would like them to bring in a food/toiletry item that we will donate to the Preston Food Bank run by the charity *Luv Preston*. The donations will be taken to the depot in the last week of term and distributed to those in need of extra help over the Christmas period. Any item will be welcome as long as it is in date. Thank you all in advance for your support.

FIND Newsletter - Winter 2019

Book Buzz is a reading programme from the Book Trust that aims to help schools inspire a love of reading in Year 7 and 8 pupils.

Pupils are given the opportunity to choose their own book to take home and keep from a list of 17 titles selected by a panel of experts. This year fifty of our pupils across Years 7 and 8 took part. The group met earlier this term to consider and select which titles they wanted and, on Friday morning, we met up again to hand out the books and enjoy some juice, toast and quality reading time.

As always, there was a great selection of stories on offer (from mystery and comedy to drama and sci-fi) and our pupils found it very difficult to make a choice. We will therefore be holding a book swap next term where members of our Book Buzz group may swap books with each other should they wish. There will also be opportunities throughout the year to win other titles from the list in our library competitions and all titles will be available to borrow from the library. An enjoyable morning was had by all and thanks go to Mr Webster for his help.

Success for Tom Burrow, ex Broughton Pupil

On leaving Broughton in 2018, Tom began a plastering apprenticeship with Preston's College and gained employment with a local firm. The opportunities for him to undertake plastering with that firm were limited and therefore, over the summer of this year, Tom decided to make the move to a local firm specialising in plastering.

During the summer term at College, Tom was entered into the Regional Skill Build competition in Bolton. He competed in the plastering section and, having scored one of the highest marks, he progressed to the national stage of the competition which took place in November at Birmingham's NEC. The competition involved three long days requiring candidates to display a multitude of skills. Tom came third and was awarded the bronze medal, which is a fantastic achievement, especially as he has only been plastering on a daily basis since September 2019. The gold and silver medalists, both in their twenties, have been plastering for over ten years.

This month, Tom will find out whether he scored highly enough in the national competition to gain him an invitation to represent Great Britain at the World Skill Build Competition, which will take place in 2021 in Shanghai.

The Boy at the Back of the Class by Onjali Q Rauf

Winner of the Blue Peter Book Award and the Waterstones Childrens Book Prize 2019

The publisher says: 'Told with heart and humour, The Boy at the Back of the Class is a child's perspective on the refugee crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense. There used to be an empty chair at the back of my class, but now a new boy called Ahmet is sitting in it. He's nine years old (just like me), but he's very strange.

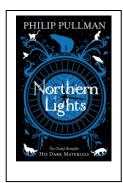

He never talks and never smiles and doesn't like sweets - not even lemon sherbets, which are my favourite! But then I learned the truth: Ahmet really isn't very strange at all.

He's a refugee who's run away from a War. A real one. With bombs and fires and bullies that hurt people. And the more I find out about him, the more I want to help. That's where my best friends Josie, Michael and Tom come in. Because you see, together we've come up with a plan.'

Northern Lights (his Dark Materials Trilogy) by Philip Pulman

The first volume in Philip Pullman's HIS DARK MATERIALS trilogy, now a thrilling, critically acclaimed BBC/HBO television series.

Book Trust say 'This extraordinary fantasy is the first book in Philip Pullman's multiaward-winning *His Dark Materials* trilogy. Exciting, original and enormously powerful it is an incredible feat of imagination, and one of the classics of 20th century children's literature.'

But X has secrets – her feelings for a boy in her bio class, and the notebook full of poems that she keeps under her bed. And a slam poetry club that will pull those secrets into the spotlight.

Because in spite of a world that might not want to hear her, Xiomara refuses to stay silent.

The publisher says 'A novel about finding your voice and standing up for what you believe in, no matter how hard it is to say. Brave, bold and beautifully written - dealing with issues of race, feminism and faith.'

Online Chatting/Cyberbullying

What is your child saying online?

Children can communicate online through lots of different apps, social media and games (WhatsApp, Instagram, FIFA, Fortnite for example) so it's important to talk to your child about how they behave and communicate online. It can be very easy online for children to behave in a way that they wouldn't if they were face to face with each other. Talk to your child about how they are speaking to others online and encourage them to talk to people online with respect, like they would if they were face-to-face. This is a useful article including tips on how to help your child be kind to others online:

https://parentinfo.org/article/safer-internet-day-2019-how-to-help-your-child-be-kind-to-others-online

Ensure that your child understands that if they receive unkind messages (or sees something that worries them) then they should not reply to them or engage, they should instead tell an adult that they trust.

We always recommend regularly talking to your child about what they are doing online.

PlayStation Now

PlayStation Now is a game subscription service (charged monthly) that gives the subscriber access to more than 700 games either by streaming instantly to their PS4/ Windows PC or downloading direct to their PS4 console.

PlayStation Now is only available to account holders who are aged 18 and over. Once set up, Child account holders can then access age-appropriate content (using the Family Manager's Primary PS4 system). It is important that appropriate parental controls are set up as some of the games included within the subscription may not be age appropriate for your child, for example, Grand Theft Auto V has a PEGI rating of 18. More information about setting up family accounts is available here:

https://www.playstation.com/engb/explore/playstationnetwork/family-accounts/

Are you guilty of Sharenting?

'Sharenting' is when we post too much information about our children online, such as photos, funny moments or key milestones. This useful article discusses the top six things parents should be thinking about before they post such as what information you include when you upload photographs (child's school, age or location). We tell our children to think before they post but maybe as parents, we need to too. Read the article here:

https://www.bbc.co.uk/programmes/articles/CDT1p7qHZxjrGLsw1xh7Pg/sharenting-six-things-parents-should-think-about-before-hitting-post-on-social-media

Age ratings

The British Board of Film Classification (BBFC) has launched new digital age rating symbols designed for digital streaming platforms such as Netflix. More and more children are choosing what they watch, so talk to your child about the different ratings so they can make the right decision about what to watch.

Call of Duty: Modern Warfare

The latest game in the Call of Duty franchise, Call of Duty: Modern Warfare was released in October. This game has been rated 18 by PEGI, which means it should only be played by those over 18. This is a very realistic game that includes intense violence. You should also be aware of:

In-game purchases

As with any game that allows in-game purchases, ensure you have set up passwords and/or limits on any payment details stored within the device. There have been reports of children spending a lot of money using their parent's stored payment details.

Chat facility

You should be aware that this game does have a chat feature so players may be exposed to **inappropriate language or content that is unsuitable** for them to hear.

What is Stadia?

Google has launched a new platform called Stadia, it is a game streaming service, which means you can play video games on devices that you may already own such as a smart TV or PC using Chrome. Stadia works with existing game controllers/keyboards but they have also launched a new controller specific to Stadia. A Stadia Pro subscription costs £8.99 a month. You need to be aware that some of the games may not be age appropriate for your child; for example, Assassin's Creed Odyssey has a PEGI rating of 18 so it is important that you set up appropriate controls to ensure your child is accessing age appropriate content. As parents, you have access to additional controls and privacy settings that allows you to set which games your child can play and who they can play with.
