Newsletter No 17

13th January 2020

Dear Parents,

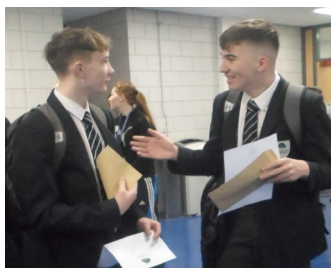

The first week back in the New Year has gone extremely smoothly and all pupils have quickly settled into our usual routines. **Your sons and daughters continue to look smart in their uniform and your support in ensuring they leave home correctly dressed is very much appreciated.** Ties must be knotted correctly and worn to the waist band, shirts always tucked in, no jewellery and make-up, no more than one pair of plain studs in each ear lobe, skirts worn to the knee along with clean, black shoes.

Last Wednesday the **Police came into school and fitted front/rear lights to the bikes of all pupils who attended the break/lunchtime sessions. This service was completely free** and will certainly help our cyclists to be seen in the darker mornings and afternoons. If your son/daughter did not attend this session, please tell them to contact Miss Cross.

Last Thursday, all our Year 11 pupils received their GCSE 'mock' exam results. We replicated the distribution of GCSE results in August 2020 in an attempt to recreate the sense of anticipation, nervousness, disappointment and joy on opening the brown envelope containing a list of subjects and grades.

All subjects will be graded 9-1 in the Summer of 2020, with **9/8/7 being awarded to the very highest attaining pupils. A Grade 4 is accepted by local Colleges as the absolute minimum requirement for most of their courses, although most 'A' level courses require Grade 5+.** The grades the pupils achieved in these mock exams reflected a considerable amount of hard work and all the revision was definitely worth it. Whilst many pupils were proud, pleased and joyful, others were deflated and upset. They know now what is required to avoid similar disappointment in eight months' time.

In today's Year 11 assembly, I explained about the grade boundaries in Maths and English in 2019 and how they were applied to GCSE candidates from Broughton who sat the exams.

Year 11 GCSE English Language Results August 2019		
	Marks	Grade
Pupil 'a'	77	4
Pupil 'b'	76	4
Pupil 'c'	75	3
Pupil 'd'	75	3
	<u>160</u>	

Year 11 GCSE English Language Results August 2019		
	Marks	Grade
Pupil 'e'	128	9
Pupil 'f'	127	9
Pupil 'g'	126	8
	<u>160</u>	

Year 11 Maths GCSE Results August 2019 Foundation (240)		
	Marks	Grade
Pupil 'x'	149	4
Pupil 'm'	149	4
Pupil 'n'	148	3
Pupil 'o'	147	3
	<u>240</u>	

Year 11 Maths GCSE Results August 2019 Higher (240)		
	Marks	Grade
Pupil 'x'	141	7
Pupil 'y'	140	7
Pupil 'z'	137	7
Pupil 'm'	136	6
Pupil 'n'	136	6
	<u>240</u>	

As you can see, there was little margin for any error whatsoever and it was so frustrating for those pupils who missed the next grade by just one mark. Naturally, I talked about 'that little bit extra' revision and how it could secure a Grade 4 (instead of a 3), a Grade 6 (instead of a 5) and so on. You can be assured we will continue to teach high quality lessons, along with timely exam technique sessions. It is essential that all pupils undertake sustained, thorough revision at home. They can buy packs of **revision cards** (five white packs for £1 / four coloured packs for £1)) or an **A3 whiteboard** pack for £5 to assist the process.

Finally, I look forward to seeing many of you at the **Year 10 Parents' Evening this Thursday 16 January at 4.15-7.15pm** which will be in the 'Junior Block' because the Sports Hall floor is being replaced.

As always, if you are happy or unhappy with any aspect of life here at Broughton, please do not hesitate to get in touch. My email address is morrisc@broughtonhigh.co.uk.

Year 7 English Schools' Football

On Thursday 9th January the Year 7 Football Team played Town Hill Boys' School from Tameside in the National Cup.

The Team played extremely well with exceptional performances from **Charlie Bray** and **Henry Woodall**. After a close contest, the game finished 3-3, with goals from **Josh Dawson, Henry Woodall** and **Jack Nelson**.

Broughton dominated in extra time, but could not find a way past the opposition's goalkeeper. So the game was decided on penalties.

Jamie Baines, Bailey Malliband, and Thomas Sharkey all scored their penalties with super keeper **Guy Jenkinson** saving two.

Broughton finished winning 3-1 and qualify to the last 16 in England.

Mr Marquis

A sincere thank you to all who donated one of the forty shoeboxes to International Aid Trust. The shoeboxes are now all in transit, awaiting delivery to children and young people in Ukraine and Sierra Leone. Your kindness and commitment to those less fortunate than ourselves is very much appreciated.

Police Visit to Broughton with FREE Bicycle Lights

The school were contacted by local PCSO Vicky Shackleton recently offering our cyclists free bicycle lights. It was an opportunity we were not going to refuse. So, on Wednesday and Thursday Vicky and her colleagues came into school and fitted front and back bike lights to anyone who was cycling without lights or needed theirs replacing.

They also reminded pupils of the importance of having (and using) bike lights, reflectors and the need for bright and reflective clothing on these dark mornings.

Many thanks to Lancashire Police for the lights.

Apprenticeships

Careers – Apprenticeships

All Year 11 pupils now have an up-to-date and accurate knowledge about Apprenticeships as a result of their assembly on Friday 10th January. Year 10 will have the same assembly on Thursday 23rd January.

There will also be a follow up **Apprenticeship Workshop** for interested Year 11 pupils on Thursday 23rd January. Places are LIMITED so don't delay. If you think your child is considering an apprenticeship when they leave school, then please encourage them to sign up at the i-Centre Reception for a place on the workshop.

Update **your** knowledge of Apprenticeships – the National Apprenticeship Service will be delivering a 20 minute information session for **parents at 8:15am on Thursday 23rd January**. Please reserve your place by emailing Mrs Dumbell at dumbellr@broughtonhigh.co.uk.

Year 11 Food Preparation Lesson

Leigh Myers, an ex Broughton High school pupil, visited a Year 11 Food Preparation lesson to demonstrate practical skills in preparation for their practical exam later in the year. After leaving Broughton, Leigh pursued a career in the Food industry and worked his way up to become a Michelin star chef. He still works within the industry at Wellocks, providing local ingredients and equipment for food businesses. Pupils asked a range of questions to help them develop ideas for their own dishes which they will be preparing. Leigh produced a main course of venison, served with pureed carrots, broccoli and pickled kohlrabi, followed by chocolate pudding garnished with spun sugar. Pupils were involved with helping with the dishes and the best bit - tasting!

Thank you to Leigh for the advice and tips which Year 11 will include in their own dishes later this year.
