

20<sup>th</sup> May 2022

Dear Parent/Guardian,

It has been a pleasure this week to interview 36 candidates for the positions of Head Boy and Head Girl. With support from two members of our governing body, Mrs Morris and Mrs Fawbert, we had the privilege of listening to our Year 10 pupils present to us about how they would convince a prospective parent to send their child to Broughton High School. They then answered a number of questions including 'What does the school motto 'Achieving Together' mean to you. Every pupil performed exceptionally well and they should be extremely proud of their performance on the day. Our new Head Boy and Head Girl and Deputies from September 2022 are:

Head Girl:	Libby Church	Head Boy:	Rayaan Mal
Deputy Head Girl (Y7)	Louisa Stanley	Deputy Head Boy (Y7)	Elliott Palmer
Deputy Head Girl (Y8)	Varsha Saravanan	Deputy Head Boy (Y8)	Oliver Wilcock
Deputy Head Girl (Y9)	Grace Willingale	Deputy Head Boy (Y9)	Allen Asa
Deputy Head Girl (Y10)	Anna Lenton	Deputy Head Boy (Y10)	Zayd Khan
Deputy Head Girl (Y11)	Erin Kopydlowski	Deputy Head Boy (Y11)	Sam Gooch

Congratulations to our Junior and Senior Athletics teams this week as they performed at the Lancashire Schools Athletics Championships at Stanley Park in Blackpool. There were some exceptional individual and team performances with the Junior Boys' team winning the whole competition. There is a full write up later in the newsletter but congratulations to all pupils involved. I have been informed by Mr Marquis that they represented the school superbly.

Year 11 pupils have made an exceptional start to their GCSE exams this week with an extremely busy schedule including Maths, English, Science, Drama and Geography. The Year 11 pupils have displayed a superb attitude to their preparation for their exams and they have been expertly supported by their teachers. I am sure this year's exam season will be extremely successful and I look forward to seeing the impact of all this hard work in August. Year 7 pupils will be starting their exams next week and it has been good to see the hard work that they have already shown through their revision so far.

Next week our assembly theme is 'positive relationships'. Our aim through this theme is to remind all our pupils of the importance of working hard to build strong relationships with each other and to care for the welfare of other pupils in and around school. Mutual respect for each other and all our differences is critical in our community here at Broughton and if we are truly aiming to 'Achieve Together' then we must all work hard every day to ensure all members of the team here at Broughton are valued and respected.

Next Friday, 27<sup>th</sup> May, we will again be holding our end of term rewards assemblies which seek to congratulate pupils for excellence and effort in the classroom. Pupils will receive certificates in recognition of their effort and achievements.

A reminder that school closes at 3.00pm on Friday 27<sup>th</sup> May and will re-open after half term at 8.40am on Monday 6<sup>th</sup> June.

If you ever have any questions or concerns, please do not hesitate to make contact. My email is [botesd@broughtonhigh.co.uk](mailto:botesd@broughtonhigh.co.uk).

Yours sincerely,

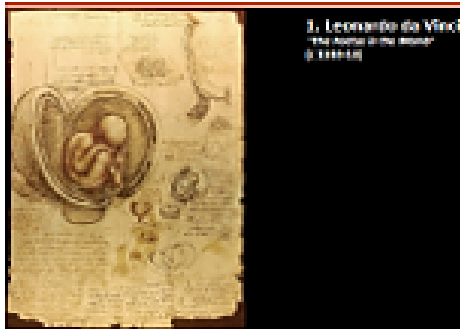

Mr David Botes  
Headteacher

## 'This Girl Can'

On Friday 13<sup>th</sup> May, five Year 8 girls participated in a 'This Girl Can Event' held at West View Leisure Centre. The event gave the pupils a taster of alternative activities, with the aim of raising confidence and engaging more girls in physical activity and sport.

The girls participated in climbing and bouldering, zumba, spinning, kin ball and roller skating. They were also lucky enough to meet world champion skater Jenna Downing, who gave a motivational talk highlighting the benefits and opportunities that participating in physical activity can bring. The girls thoroughly enjoyed the day and were brilliant throughout.

Well done!  
**Mrs Rukin**

## Apprenticeships

Any pupils who are interested in finding an apprenticeship, please click the link below to be notified of vacancies in the local area:

<https://apprenticeteam.org/learners/get-notified-about-the-latest-apprenticeship-vacancies-within-your-area/>

**Mrs Donleavy**

## Athletics News

Congratulations to both **Hugh Smith 7N** and **Lewis Nelson 7R** who represented Preston Harriers last weekend in the Under 13 Lancashire Athletic Association Track and Field Championship.

Both boys competed in the 800m and performed exceptionally well. Lewis achieved second place in his heat and third overall. Hugh achieved first place in his heat and second overall.

Well done to Hugh and Lewis for their superb effort and we look forward to seeing more success in the future.

Really well done!

**Mr Hughes**

# FOOTBALL TASTER SESSION

- Are you in Yr11 and serious about your education & development as a player/coach?
- Love football & want to learn in a high quality environment with amazing facilities?
- Register your attendance for our May half term taster session on our website.

- <https://www.myerscough.ac.uk/whats-on/football-taster-event/>

**Date: Monday 30th May**

**Time: 10.30am - 1pm**

**Venue: Myerscough College**

## Year 7-10 Tennis Match Report, Tuesday 17<sup>th</sup> May

Broughton's male tennis representatives played away against St Michael's in Chorley on Tuesday for their first tennis fixture of the year. All pupils involved were exemplary regarding their attitude, etiquette on the court and their effort throughout the afternoon. Giving team mates tips on how to improve their game, helping setup and organise the courts upon arrival and always being gracious in victory, were some of the standout characteristics of the day! Broughton's Under 15's won 4-2 overall, with the Under 13's winning with a 6-0 clean sweep when totalling up all of their games played – amazing results from all pupils involved!

**Oliver Bunker, Sam Willingale, William Gooch, Hayyan Shahid,  
Lucas Procter, Jack Nelson, Tom Eddleston, Jed Anderson**

**Mr Nayler**

## Tombola in Support of the Sue Ryder Charity

Broughton Parish Council will be holding a tombola as part of the Queen's Jubilee celebrations, to raise money for the Sue Ryder charity.

Donations of prizes would be most appreciated.

**Please could any items to be donated  
be left with Mrs Dumbell at Pupil  
Reception by Friday 27<sup>th</sup> May.**

Many thanks.

## Year 7 Cricket

The Year 7 Cricket team have kick started their season with back to back victories in the Lancashire Cup. Their first game saw the team travel to Birkdale, Southport. Traditionally a strong all boys school, Birkdale opted to bat first and were bowled out for 64, after some great bowling from **George Brame** and **Max Burge**. Broughton batted well with opener **Hugh Smith** scoring quickly and was backed up well by **Muhammed Quasi**. Broughton eventually took the victory in the penultimate over of the game.

In the second round, we faced Queen Elizabeth Grammar School, Blackburn. Again, they won the toss and opted to bat first. Broughton's bowling attack went to work early, bowling the open batter out in the second over of the game. **Tommy Swan, George Brame, Hugh Smith, Ellis Wilkinson, Rayhan Mohamed** and **Max Burge** all bowled extremely well and QEGS scored 83 runs off their 20 overs. Broughton's batting was much improved from the first game, the non-striking batter looking to attack and all batters talking at the crease. Broughton won the game with **Arthur Freye** scoring the final runs in the 13<sup>th</sup> over, after hitting three, 4s off his leg side.

The boys are now in the 3<sup>rd</sup> round to be played on the week beginning 6<sup>th</sup> June.

### Team

**George Brame, Hugh Smith, Theo Herbert, Riley Stansfield, Max Burge, Arthur Frey, Ellis Wilkinson, Rayhan Patel, Tommy Swan, Matt Ward, James Lilleystone, Mohammed Quasi.**

## Tennis

The U13 and U15 boys' tennis team played Oldham Hulme Grammar School on Thursday, in the AEGON Team tennis competition. The boys went into the game with confidence after their victory to St Michael's, Chorley.

The U13 team were too strong for the Oldham team. **Oliver Bunker, Sam Willingale, William Gooch** and **Hayyan Shahid** won their games convincingly 6-0.

The U15 team also won, but the opposition offered greater challenge to the team, but after some good tennis and some good resilience **Sam Gooch, Lucas Proctor, Tom Eddlestone** and **Joe Nicholson** all eventually won their games.

The team now go on to face Bury Grammar School.

## English Schools' Athletics Championships

This week Broughton took the U13 and U15 boys' and girls' Athletics team to the prestigious ESAA Athletics Championships, in Blackpool. Having not competed in any outdoor athletics since summer 2019, this was a new experience for over 50 of our pupils. However, all athletes were amazing and represented the school exceptionally well.

On the day, there were also some outstanding individual performances, with **Riley Stansfield** (100m/Shot), **Hugh Smith** (800m), **Isaac Allen** (Hurdles/High Jump) and **Austin Allen** (200m) all breaking six Broughton High School records; some of our records still stand from as far back as 1977.

**The U13 boys' team came out overall winners** scoring 378 points and **now go through to the North West Final** on the 16<sup>th</sup> June in Stretford, from which the winners go to the National Finals in London.

The **two girls' teams and the U15 boys' teams have also qualified for the County B Finals on the 15<sup>th</sup> June, at Blackpool Stanley Park**, after finishing 5<sup>th</sup>, 6<sup>th</sup> and 7<sup>th</sup>. Again some standout performances from **Sophie Mitchell** (1500m), **Cerys Allen** (Long Jump/800m) and **Antonio Leeming** (800m).

Good luck to all four teams in the next round.

**Mr Marquis**

## BROUGHTON JUBILEE STREET PARTY

The Broughton Jubilee Street Party on Sunday June 5th is just 3 weeks away. The Party will take place along the Garstang Road from the crossroads to the pinfold.

Bring your own food, buy bangers and burgers stall from the scouts, sample Moorcroft Bakery cakes, strawberries and cream from Denise, Indian snacks from Touch of Spice or ice cream from Brookes Gelato.

We have entertainment organised all day the *Preston Pipes and Drums* kick us off at 11am, followed by *Preston Concert Band*

We hope you will enter into the day by dressing as they would have in the 1950's...at 11.45 we parade the costumes and pick the prize winners.

Stroll along the stalls, tombola from the school side shows from the scouts, books from Usborne, plants from Ribblesdale... sample local produce or craft with the Guides by their hut on the field. Join in the fun outside Kipp-McGrath's.

Then at 12pm over to the young people from *Broughton High School with dance and music.*

In the cottage will be displayed the jubilee themed Iced cakes in a competition being organised by Broughton WI & sponsored by the Foot Room

Just after 1pm we relax and sit down to eat soothed by the *Preston Concert Band* to eat and toast the Queen's 70 year reign!!!

Our own café in the toll bar cottage will be supplying courtesy of the Parish Council and the National Lottery lunch boxes for school children plus drink and snacks.

At 2pm after lunch relax whilst listening the *Broughton Hand Bell* ringers in the cottage garden then watch the children parade in their "crowns" made for the jubilee. We finish on the street with the prize giving at 3pm

***BUT the day continues as we move to the concert hall from 6pm at the club for an evening with Miss Soulful entrance free.***

Join in the fun by photographing the day and entering them in the Jubilee Photo Competition...twelve of the pictures will feature in the 1<sup>st</sup> Broughton Village Calendar to be sold in the Autumn with profits alongside any made on the day for the Sue Ryder Neurological Centre based in the southern part of the parish.

### Parking and drop off

Please can we ask residents' cars in the car park or layby to move their cars to Broughton Club car park by 9am.

During the day disabled drivers to drop off by barriers and to park at Broughton Club. Entertainers to park at Broughton club.

Those people who are not walking up please park at high school entrance of Sandygate Lane or on the Garstang Road side south of the closed off area.

BROUGHTON PARISH COUNCIL

#AskNationalCareers

## This week in Food ....

### Year 7

Pupils collected herbs from the garden to add to their cous cous salads. The herbs are at their best with the recent warm weather and the flavours have enhanced their overall dish. Chives enhance the flavour and the appearance.

### Year 8

Pupils have been making fresh pasta and using various flavourings; beetroot, spinach, roasted yellow pepper and cocoa powder.

### Year 9

As part of the lesson looking at the advantages and disadvantages of using convenience foods Year 9 pupils prepared Sweet and Sour vegetables from basic ingredients. They have been applying their practical skills and analysing the nutritional data and cost of home-made version compared to supermarket products. The conclusion drawn that cooking from basic ingredients is cheaper and nutritional better. This has recently been mirrored in the news and highlights the importance of encouraging young people to know how to make nutritious and healthy meals.

Keep on Cooking.

Mrs Newton

# LIGHT & HEAVY VEHICLE SERVICE & MAINTENANCE TECHNICIAN APPRENTICESHIPS

## CUSTOMER INFORMATION SHEET

Garage Trades are very popular career choices - and with over 31 million vehicles on the road, there's always a demand for skilled and semi-skilled workers. Because it's popular work, you can expect a lot of competition in getting started, so it's important to do some preparation and finding out about the job first.

Overview of the role. A motor vehicle technician services and repairs vehicles. They work on all the systems found within the vehicle. The nature of the work ranges from replacing simple parts through to solving complex faults with the use of diagnostic methods and equipment. Today's apprentice has to demonstrate expertise in the technical side of their role. They must have strong problem-solving skills and a good grasp of the theoretical and practical aspects of a vehicle's systems. The growing complexity of today's vehicles, and the pressure to deliver a high-quality customer experience, requires the retail automotive sector to attract and train high calibre individuals and this is reflected in the elements of the Standards.

## LIGHT OR HEAVY?

Light vehicle mechanics service and repair faults on cars and small vans. They account for half of all learners. Car mechanics/fitters work in all sorts of garages and workshops. Some are modern and spacious, with up to date equipment; many are traditional and small. Most mechanics work for garages which service and repair cars for private and business customers. You might work mainly on just one or two makes of vehicle if the garage has the local franchise, or you might deal with all types.

Heavy vehicle mechanics work on lorries, trucks and buses. Some companies and organisations, which own a lot of vehicles, such as haulage contractors and coach companies employ their own mechanics to look after the fleet.

## PROGRAMME DURATION

It is expected that it will typically take three years for the apprentice to attain the required level of competence in the workplace although it may be less if the individual already has significant training and practical experience.

The Training Centre, 5 Penrod Way, Heysham, Morecambe LA3 2UZ

# LIGHT & HEAVY VEHICLE SERVICE & MAINTENANCE TECHNICIAN APPRENTICESHIPS CONTINUED

## STANDARDS

Assessment will include employers and training providers reviewing an apprentice's progress via assessments at gateways 1 and 2. These assessments are designed to review the apprentice's behaviour, knowledge and skills against set gateway criteria. In addition, the apprentice, employers and training providers are required to maintain an E-Log book evidencing progress over the duration of the apprenticeship. Level 2 Functional Skills will also be achieved and a final End Point Assessment (EPA) will be taken.

## GETTING STARTED

Your route to success in the motor industry:

**School**

**Apply to LTS**

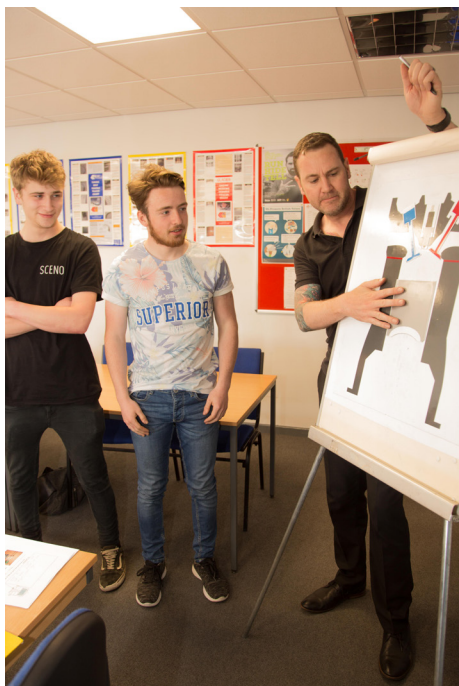

**Interview & test**

**Accepted on the Apprenticeship**

**Interview with employer**

**Employment starts**
