

10<sup>th</sup> June 2022

Dear Parent/Guardian,

Welcome back after the half term holiday. I hope you managed to have a restful break with friends and family and enjoyed the extended weekend due to the Platinum Jubilee Celebrations.

The theme in assemblies this week has been 'Positive Relationships' and I have talked to the pupils about the importance of building and maintaining positive relationships with their friends, other pupils, family members and members of staff. My suggestions to the pupils were to focus on the following areas:

1. Accept and celebrate differences.
2. Listen effectively.
3. Give people your time.
4. Develop your communication skills.
5. Manage mobile technology.
6. Learn to give and take feedback.
7. Learn to trust more.
8. Develop empathy.

It is amazing to see all the positive relationships already evident in and around school, I am sure that the assemblies this week will help develop these even more.

Today we say goodbye to our Year 11 cohort who finish their formal lessons. The way the pupils have prepared themselves for their GCSE exams has been exceptional and their attitude and conduct throughout has been exemplary. They have been a credit to the school. Year 11 pupils will now only attend for scheduled revision sessions and timetabled exams. I will update you with the exam successes of this year group when we return in September.

Over the last few weeks pupils have been completing their end of year assessments and again the pupils have worked extremely hard in their preparation. It is clear that the pupils take their learning and their assessments seriously and that performance in these assessments is important to them. We will be feeding the information from the exams back to the pupils in classes over the next two weeks and every child will receive a report towards the end of term highlighting their progress this year.

May I remind you of our school uniform policy:

- Skirts should be knee length.
- A single pair of plain stud earrings in the lobe only. Other facial or body piercings are not allowed. No other jewellery except for a wrist watch or articles worn for religious reasons.
- Sensible plain black shoes - not canvas, no trainers, no logos (heel not to exceed 5cms).
- Plain black or grey socks for any pupil wearing trousers.
- Plain navy socks/plain navy or black tights for those wearing a skirt.
- No make-up/false tan/fake eyelashes. Nail varnish, fake nails/nail extensions are not allowed.
- Blue or black coat: no hooded tops/sweatshirts/tracksuit tops.
- No chewing gum permitted.

# Celebrating the Queen's Platinum Jubilee IN TEXTILES

We had a very creative few weeks running up to half term creating all sorts of wonderful things linked to and celebrating the Queen's Platinum Jubilee.

Year 7 and 8 designed some costumes, outfits and accessories for the royal family and animals. Year 9 helped create the Broughton High School entry for the scarecrow festival which was based on the theme "Best of British" and Year 10 supported pupils in KS3 to make over 50m of bunting which was hung up in Broughton Village over the weekend!

HUGE thanks to everyone who took part!

**Y11 Artists submitted their GCSE portfolios for assessment last month at the end of the 2 year course. I was very impressed with the quality of work that pupils produced including independent work produced during 2 periods of remote learning in Lockdowns. Pictured below are responses to the 'Contemporary Landscape' Project which culminated in original acrylic paintings on canvas inspired by Cumbria-based Artist Tracy Levine. Thank you for your hard work & dedication & best wishes for the future. Ms Smith**
