

8<sup>th</sup> July 2022

Dear Parent/Guardian,

On Monday we held our new Year 7 Induction Day where over 180 pupils joined us for their first experience of life at Broughton High School. After their first assembly where pupils met their new Head of Year, Mrs Higham, pupils were split into their form groups and met their new Form Tutor. Following this, our new pupils had their first classroom experiences in a variety of subjects. As expected, the pupils loved the food at break and lunch and it was lovely to see so many pupils from different primary schools mixing with each other and starting to build new friendships. All new Year 7 parents were invited to attend an induction evening at the end of the day and it was a pleasure to welcome so many new families to our school. We are all really looking forward to working with both the pupils and their families when we return to school in September.

As we approach the final few days of the academic year I wanted to share with you some of the activities that will be taking place. Today and on Monday we are holding our interform football competitions which are proving to be very competitive. On Wednesday we will be holding our end of year music concert which will be held in the Drama studio from 6.30pm. Tickets are free of charge and are still available for this event. On Monday 18<sup>th</sup> July we will be having our BBQ themed lunch and the pupils will be treated to an ice cream at different points of the day in their year groups.

The final day will be non-uniform for pupils and we would like to ask for a donation of £1 to this term's chosen charity which is Baby Beat, based at the Sharoe Green Unit at Preston Hospital. In addition to this, our pupils have amassed an impressive 28,257 reward points this term which equates to £282.57 to add to the non-uniform total. Your son or daughter must wear clothing appropriate for a day in school and we are of course still upholding all the rules regarding jewellery, make-up, fake tan etc. We will also be holding our end of year awards assemblies for each year group where pupils will receive recognition for their hard work and effort both in class and their contribution to school life. School will finish at 1pm.

Please may I remind you of our uniform expectations and requirements in preparation for new purchases where necessary over the summer.

- School Blazer
  - School Tie
  - Grey trousers with logo
  - Plain white shirt with stiffened collar (not fitted)
  - Plain black or grey socks
  - Sensible plain black shoes, not canvas, no trainers
- 
- School Blazer
  - School Tie
  - Navy pleated knee-length skirt with logo or
  - Navy school trousers with logo
  - Plain navy or black tights or plain navy socks
  - No leggings or socks over tights
  - Plain white shirt with stiffened collar (not fitted)
  - Sensible plain black shoes, not canvas, no trainers

Headteacher: Mr David Botes

For All:

- Only wearing a watch and a single pair of plain ear studs as a maximum amount of jewellery
- Any other facial or body piercing is not allowed
- Not wearing make-up, fake tan and nail varnish or false nails
- Ensuring hair colouring is natural and discreet
- Extreme hairstyles, cuts, lines in hairstyles and adornments are inappropriate for school
- Hoodies must not be worn under a blazer on the way to or from school

If you ever have any issues, worries or concerns regarding the purchasing of uniform please contact one of our Pastoral Managers or your child's Head of Year.

When we return in September we will be changing our approach to the use of mobile phones during the school day for our pupils. Pupils must ensure that their phones are put away as soon as they enter the school site in the morning. In line with our current policy, phones must not be out or used at any point of the school day. Once pupils exit the school buildings at 3pm they may then use their phones. We will be reminding all pupils of this on the first day back in September.

As mentioned earlier we have amassed a significant amount of rewards during the term so far. Below are the figures for each year group.

Year 7	8750
Year 8	8068
Year 9	5685
Year 10	4705
Year 11	1049

A superb effort all round.

If you ever have any questions or concerns, please do not hesitate to make contact. My email is [botesd@broughtonhigh.co.uk](mailto:botesd@broughtonhigh.co.uk).

Yours sincerely,

Mr David Botes  
Headteacher

### Preston Schools' Cricket Tournament

Last week, the Year 7 boys played in the Preston Schools' Cricket Tournament at Longridge C.C. Fourteen boys attended for this 10-a-side, 8 over competition. We played three different schools from across the District in our half of the competition, including St Cecilias, Our Lady's and Corpus Christi. All fourteen boys played across the three games, with some of the players experiencing their first competitive cricket match.

I am delighted to say that the team won all three games convincingly, batting, bowling and fielding incredibly well as a collective. We are now due to play Ashton, next week, who won their side of the competition.

Team:

**George Brame, Hugh Smith, Tommy Swan, Max Burge, Ellis Worthington, Mohammed Qazi, Theo Herbert, Hamad Patel, Rayaan Patel, Matt Ward, Arthur Frey, Harry Moss, Ellis Worthington, Nathaniel Norton Smith.**

**Mr Marquis**

### UKMT Junior Maths Challenge

Year 8 pupils recently entered the UKMT Junior Maths challenge. Well done to all the pupils who took part in the challenge, and especially to those who gained sufficient points to be awarded a certificate. The pupils should be very proud of their achievements. The following certificates were awarded for Bronze, Silver and Gold.

#### Bronze certificates went to:

**May Ackley, Aiysha Aslam, Ashfiya Lakha, Ahmad Umar Mota Bobat, Matthew English, Janesh Rathod, Rohan Connolly, Max Harrison, Neve Morton, Imogen Vickers, Zayn Ahmed, Katie Parker, Amelia Lyon, Charlie Hamilton, Reuben Watson, Thomas Irwin, Isaac Allen, Ethan Nagy, Lucas Stambridge, Mat Burge, Ethan Nichols, Eleanor Prescott, Daniel Siggers.**

#### Silver certificates were awarded to:

**William Gooch, Sam Willingale, Aebha Bayliss, Khrish Govinde, Hayyan Shahid, Alice Chapman, Terrence Chen, Thea Gleave, Annabel Ager, Ramell Laurent, Dhruvi Patel.**

#### Gold certificates

**Lily Prescott, Austin Windle, Noah Abraham, Mollie Hale, Ariana Ehsan (Best in School).**

**Mr Peterson**

## Year 9 Cricket Fixture Match Reports

### Tuesday 5<sup>th</sup> July vs Longridge High School

Broughton's Year 9 cricket team began their busy week of fixtures with a tough away match against Longridge. Some members of the team were extremely motivated to win having played in the Lancashire Cup Football Final which ended in a draw ... but both teams couldn't be separated again, even in cricket!

Broughton began bowling and fielding first with some players adjusting to new roles and positions in the field, resulting in a slower start than anticipated. However, after a couple of overs, the team began reducing Longridge's run rate. Special credit must go to **Tushar Rana** for a rapidly improving performance as wicketkeeper and **Jack Nelson** for an amazing hat-trick of wickets in succession.

**Jack** continued this player of the match performance with 20 runs and subsequent retirement after opening the batting with **Jed Anderson** (16). However, despite a strong start, Longridge's bowling improved as the game progressed and resulted in a slowing of scoring, leading to a score of 51 from 10 overs for both teams.

Well done to all players (and fans with Haris Debar) involved.

### Wednesday 6<sup>th</sup> July vs Archbishop Temple

Broughton then played at Fulwood and Broughton Cricket Club full of optimism after a strong finish in the previous game. Broughton batted first and set Archbishop's target of 61 runs from 10 overs. **Jed Anderson** and **Jack Nelson** both retired with 20 runs each, with **Sam Judge** the other standout batter with 13. Archbishop were then limited to 31 runs after just 9 overs, with all of their batters ran out or bowled out by amazing bowling performances from **Matilda Macleod**, **Jack Nelson** and **William Ward**. Playing experience clearly played a major factor in the result, but Broughton made the most of this and played superbly all match Well done again to all players involved; one more game against Our Lady's on Thursday 14<sup>th</sup> July to wait for before the season ends!

**Jack Nelson, Jed Anderson, Sam Judge, Matilda Macleod, William Ward, Medhansh Nandwana, Henry Woodall, Tushar Rana, Daniel Connell, Thomas Astley, Zuhair Khan**

**Mr Nayler**

## Science Trip to London

On Thursday 30<sup>th</sup> June, 38 Year 8 science pupils left school at 6.30am for a two day overnight stay in London. We arrived in good time to have a look around the Science Museum, where we spent several hours exploring technological developments over the years including rockets, medical equipment and even toasters! We then headed to YHA Central London to quickly change ready for our meal out at the "Shrimp and Grill" restaurant. Following our meal and a short, but very wet walk, we arrived at the Lyceum theatre to watch the spectacular Lion King show. It was thoroughly enjoyed by all with several pupils making the comment "We knew it was going to be good, but not *THAT* good!"

The following morning, after loading up on toast, croissants and cereal at breakfast, we were able to spend over three hours in the Natural History Museum before heading home. As expected, behaviour from all was impeccable and we arrived back tired but having had a great couple of days.

**Miss Taylor**

## Summer Concert - Wednesday 13<sup>th</sup> July 2022

I cannot believe it has been so long since we have been able to have a 'face to face' concert here at Broughton. The pandemic has really impacted music in schools across the globe, but I am thrilled that we are able to invite you into school to see some of our musicians perform in person. They have been working incredibly hard on repertoire with the peripatetic teachers and it promises to be a fantastic evening of music.

In order to say thank you to those pupils performing, they will all be entered into a raffle that will be drawn during the concert. The winner will be the recipient of a Ticketmaster gift card enabling them to go to a concert or show of their choice.

This year, the concert will take place in the Drama Studio we have decided to make the **tickets for the concert completely free of charge**. Tickets are available from the School Office or from the Music Department. Should you feel that you wish to make a contribution to the department, there will be a donation box in the venue. All proceeds will go back into the department's 'Concert Fund' which will continue to provide new music, instruments, resources and more.

Finally, I would like to take this opportunity to thank you not only for all of your support and encouragement this year, but also for supporting our musicians and the department through the past few years.

We look forward to seeing you on the evening.

Mr Shepherd  
Head of Music

## Congratulations to Amelie Johnson

Well done to **Amelie Johnson (9C)** who has recently passed her **Grade 1 Singing** examination.

Amelie gained a **Distinction** and got full marks on the first piece!

She will receive a certificate in recognition of her achievement and I look forward to seeing her progression.

Mr Shepherd

## Excellence in Art

Year 8 pupils were recently set a homework task 'Tin Can Selfies' .

Some of their wonderful responses are shown below:

**Tin Can Selfie Homework Task:**

*Preparation: Carefully remove the label from an empty food can ; wash it out thoroughly.*

*Task: Make a new 'subverted' label for it.*

*Your name is the product.*

*What are your ingredients?*

*What is your strapline?*

*You may use drawing, painting, collage &/or digital techniques*

**Health & Safety Hazard** **Cuts:** Take care when touching the open top of the tin can.

## Congratulations to Max Harrison

**Max Harrison (8S)** was recently selected to represent the North West in the **National Hockey Championships**. He took part in a three day tournament in Nottingham. The North West team finished 3<sup>rd</sup> overall bringing home bronze medals. This is a fantastic achievement for Max who was selected out of hundreds of boys. Well done Max!

Mrs Bishop

## City Athletics: 23rd June 2022

This year's City Athletics was held at Witton Country Park after returning for the first time in two years. As reigning champions, and 11 years of being Preston Champions, the pressure was on the Broughton team to defend the title! Throughout the day there were some absolutely outstanding team and individual performances.

Throughout the athletics season there have been a number of school records which have been beaten, three of which occurred at City Sports!

**Medhansh Nandwana** set the new record for the year 9 boys 80m Hurdles (12.44)

**Isaac Allen** claimed the record for the year 8 boys 100m (12.00)

**Sophie Mitchell** was the winner of the 1500m and set the new record for the year 7 girls (5.37)

Any records which have been beaten during this summer's athletics season are identified on the records attached to this newsletter. Some records may have previously been held by parents and siblings of current pupils or former Broughton pupils; does your record still stand?!

Each of the three of the four teams placed first overall on the day with the u15s boys team placing second after missing out on first place to Our Lady's by 7 points.

<b>U13s Boys: 1<sup>st</sup> place</b>	(144 points)
<b>U13s Girls 1<sup>st</sup> place</b>	(98 points)
<b>U15s Boys 2<sup>nd</sup> place</b>	(125 points)
<b>U15s Girls 1<sup>st</sup> place</b>	(122 points)

The **team were proudly crowned City Sports Champions for the 12<sup>th</sup> time** in a very convincing win. The teams total number of points on the day was 489. A **staggering 83 points ahead of the runners up!**

Well done to all pupils on the Athletics team. Another memorable day of sport within the school year, to celebrate one of Broughton's most prestigious sporting achievements!

**Mrs Hough**

## Year 10 Practice Interviews

**FANTASTIC!** – was a word I heard a couple times on Wednesday, about our Year 10 pupils', from the 19 volunteers, some of them parents and governors, which came into school for the morning in order for our Year 10 pupils to have a practice interview. Not only was the feedback from the visitors extremely complementary but the feedback from our pupils showed how valuable the experience had been to them. There was not one negative remark; and whilst pupils were feeling slightly nervous before they attended their interview the vast majority were pleased with how they had performed and with their feedback.

Volunteers came from a number of companies including: Azets, Danbro, Lancashire Teaching Hospitals NHS, Manpower Solutions, National Grid, Preston College, Preston Marriott, Runshaw College and UCLAN. Thank you again to everyone that took the time to support the Careers event.

Is your child in Year 10? Why not ask them to share with you their written feedback sheet; they will be given them at the start of next week. Do they have a collection of their achievements? Could they start gathering these things together? Do they need to get involved in activities both within and outside of school to allow them to demonstrate their employability skills? Did their interviewer inspire something in them? Do they now want to find out about a particular discipline or pathway that they haven't considered before? Do they need to see Paula Askew our Careers Advisor as a result? Why not make an appointment for them by emailing [dumbellr@broughtohigh.co.uk](mailto:dumbellr@broughtohigh.co.uk).

As always, I am very keen to get feedback from parents and have created a short online questionnaire to gather your thoughts. Please complete it by going to the link: <https://forms.office.com/r/fp3cXrJGg0>

As always, the event was a team effort between teaching and careers staff, admin, catering and the site team. Thank you to everyone that

assisted me in making the Practice Interviews such a success.

**Mrs Donleavy**

# Year 8 Self Portrait Printmaking Project

Year 8 Artists have been working on a Self Portrait Printmaking Project inspired by this Andy Warhol piece.

It was challenging for young artists, incorporating photography, digital imaging and block printing techniques, but there were lots of fabulous responses, as always.

## **CREATE, INNOVATE and INSPIRE Workshop for Year 8 Pupils**

On Thursday 23<sup>rd</sup> June, Mrs Tillotson and Mr Lowe took part in a workshop day with 50 Year 8 pupils which was run by Create Education. Create are a company who want to CREATE, INNOVATE and INSPIRE with 3D printing and technologies for STEAM education. Their goal is to support schools across the UK and involve them in 3D Printing. They have worked with 1000 schools, delivered workshops to over 27500 pupils and introduced 4500 3D printers into schools.

The workshop was run by two fantastic 3D Printing Engineers and they supported pupils through the process of using a new online software called OnShape which allowed them to design a product using an online platform.

The aim of the session was to inspire pupils to create 3D products at home and be able to use and practice their skills outside of the classroom. The workshop links to a Northwest based competition working with BAE and we are hopeful that a number of pupils from the workshop will take the project to the next step and enter the competition!

All pupils had a super day and seemed to really enjoy the sessions which were insightful and fascinating! Thanks to Create for continuing to support our school!

**Mrs Tillotson and Mr Lowe**

## **LTA Schools Tennis Lancashire Final**

On Tuesday this week, four of our pupils played in the Lancashire Tennis Final against Stonyhurst School. The game was played at the fantastic Broughton Tennis Club who were fabulous hosts. The format for the competition is that each individual plays in a ranked game against one of the opposition team for one set each. The number 1 and 2 players then play in a doubles set and the 3 and 4 players do the same. This means that a total of 6 sets are played.

The four boys played incredibly well, but narrowly lost 4 set to 2. The number 3 singles game was incredibly close, with **William Gooch** narrowly losing his set 6-4 having fought back bravely from being 5-1 down. This would have tied the game at 3-3 meaning a 10 point shoot out would have been needed to decide the winners.

All four boys were a credit to the school. Watching the game was the President of the Spanish Tennis Association whose two sons were playing for Stonyhurst, on Scholarships from Spain.

Team:

**Oliver Bunker (1), Sam Willingale (2),  
William Gooch (3), Hayaan Shahid (4)**

**Mr Marquis**

## St Peter's C of E Primary school Year 4 Food lessons

Year 4 pupils from St Peter's have completed a three-week programme of food activities at Broughton High school. From the science of enzymic browning to learning how to pronounce and spell *Staphylococcus aureus* as part of the handwashing demonstration. In addition to that, Year 4 pupils have also been mastering their practical skills with making a range of quality food products. Thank you to the **Year 8 helpers** who have been excellent ambassadors for Food and Broughton High which has been noted by the accompanying teachers from St Peters. There were particularly impressed with how the Year 8 pupils interacted and guided the Year 4s through the lesson.

Broughton Pre-School children enjoyed a Teddy Bears Picnic with Year 9 pupils at Broughton High school. The children enjoyed making their own picnic whilst the Year 9 pupils excelled with their nurturing skills in helping the preschool children with their activities. After the practical lesson, the children visited the Food garden to pick blackcurrants. This was followed with an exciting teddy bear hunt to find various wooden Teddy Bear shapes made by Mr Lowe.

Thank you to the Year 9 pupils for helping with an enjoyable event:

**Fatimah Adam, Chloe Ferreira, Cai Lenton, Charlie Allonby, George Heath, Kieran Moore.**

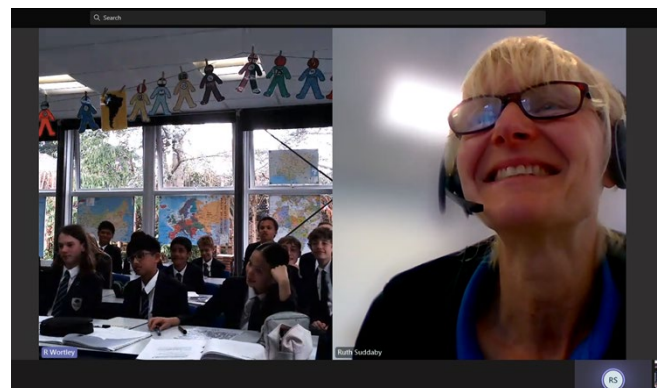

**Mrs Newton**

## Year 8: Conflict in the Lake District National Park

On Friday 1<sup>st</sup> July, 8HY had a TEAMS call with Ruth Suddaby who is a Learning Coordinator with the Lake District National Park Authority. During our call, the pupils were able to ask her questions about conflict between the different users of the park. This conflict has been the focus of our extended writing assessment in Y8 this half term, so it was valuable for the pupils to hear about it in a real-life context. We were amazed to hear that tourism generated £1.5 billion last year and £0.5 million was spent on repairing footpath erosion alone! Lots of pupils asked fantastic questions, but extra credit goes to **Aiysha Aslam, Rohan Connolly and Katie Parker** for their superb in-depth questioning.

The pupils also had the opportunity to ask Ruth about the careers available in the Lake District. The range of jobs in the National Park Authority was staggering from human resources to finance to park rangers.

I would like to thank Ruth for giving up her time to speak to us and for giving us a snapshot into life in the Lake District.

**Mrs Wortley**

## Wellbeing Wednesday

Healthy Body  
&  
Healthy Mind

This week is all about **healthy body healthy mind** - **Exercise** and **food**.

### DIET

- ❖ Eat breakfast – it's an important start to the day.
- ❖ Stay hydrated.
- ❖ Get your 5 a day- fruit and veg.
- ❖ Avoid too many sugary drinks or foods.

[www.mind.org.uk/information-support/a-z-mental-health/](http://www.mind.org.uk/information-support/a-z-mental-health/)

### AT HOME

Why not try to create your own smoothie. Share your ideas with others. Better still let others try your handy work. Be brave and try new healthy foods!

**A HEALTHY WELL-BALANCED DIET CAN HELP US TO THINK CLEARLY AND FEEL MORE ALERT. GET SOME EXERCISE!**

### EXAMPLES

- ❖ Walking
- ❖ Running
- ❖ Swimming
- ❖ Dancing
- ❖ Cycling
- ❖ Hiking
- ❖ Gardening
- ❖ Skipping
- ❖ Tennis
- ❖ Zumba

WHAT DO YOU DO TO KEEP FIT? – MAYBE TRY SOMETHING NEW - JOIN A FRIEND OR FAMILY MEMBER.

**EXERCISE IMPROVES MENTAL HEALTH! IT HELPS REDUCE DEPRESSION, ANXIETY AND LOW MOOD.**

**IT IS TIME FOR A HEALTHY LIFE TO CREATE A HEALTHY MIND** 🍌🏐🎾🍏

**Mrs Law - Roots Counselling**

## Blue Moose Dance Company

Blue Moose Dance Company lead a professional dance workshop for 33 pupils on Wednesday 29<sup>th</sup> June. Those who attended are either involved in GCSE PE/Dance, perform at a high level of dance out of school or have committed to extra-curricular dance this year.

The workshop itself was a taster session in preparation for the Preston Youth Dance Company auditions which are to be held on the 19<sup>th</sup> July at UCLAN. These auditions are open to anyone, even those who were unable to attend the workshop. It is a fantastic opportunity to experience the professional dance world in a fun and exciting way!

If you require more details please email me directly:  
[houghj@broughtonhigh.co.uk](mailto:houghj@broughtonhigh.co.uk)

**Mrs Hough**

NEXT AUDITION  
Tuesday 19th July 2022  
5.00pm - 6.30pm  
ME020, Media Factory, UCLan

Join us for the next audition to join Preston Youth Dance Company! Open to anyone aged 11 - 19 years living or studying in Preston and the surrounding areas. Register now at:  
<https://www.bluemooosedance.org.uk/projects/pydc>

# WORD OF THE WEEK

## saturate: verb

to cause (a substance) to unite with the greatest possible amount of another substance, through solution, chemical combination or the like

### Example

The heavy rain will **saturate** the cricket pitch, and the game will need to be cancelled

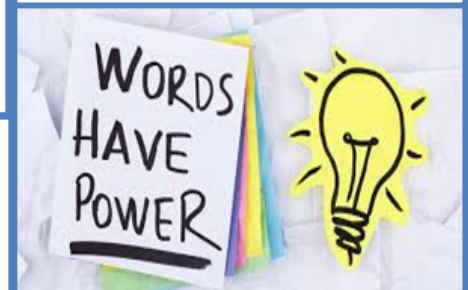

### Synonyms

soak, drench, suffuse

### Antonym

dry

## GCSE Geography Fieldwork

Wednesday 29<sup>th</sup> June, marked the return of Geography fieldwork. 56 Year 10 pupils carried out their human enquiry looking at the regeneration of the Liverpool ONE area of Liverpool.

All of the pupils got involved and completed numerous environmental quality surveys and asked many questionnaires. It was brilliant to be back out seeing pupils being able to see what they have learnt in real life.

The pupils behaved impeccably and did not let the rain spoil their day. Thank you to Mr Brady, Mr Ellis and Miss Klunder for their support on the day.

**Mrs Wortley**

## Year 8 Farm Visit

Pupils recently enjoyed visiting Ridgway Farm to look at the various aspects of farming from arable barley fields and the primary processing of that grain to dairy farming and how the animals are reared and looked after. Ridgway Farm has also established orchards and more recently bee hives to help with the biodiversity of the farm.

It was an enjoyable and informative visit; the Year 8 pupils had a wonderful time, particularly building up the courage to feed the alpacas, goats and donkeys at the end.

Thank you to Mr Ellis, **Leon, Daniel, Scarlett, Emma, Arush, Logan, Casey and Neve.**

**Mrs Newton**

# Year 10

# TEXTILES

You may remember a few months ago that there was some beautiful and very professional design work that featured in the newsletter which had been completed by the Year 10 Textiles group.

From research to design and onto a final product, I am proud to showcase their final products for their Mock NEA based on the Beijing Olympics. They could make an outfit for the opening or closing ceremony, a memorabilia gift or an item of clothing for the athletes.

Well done Year 10; a super end to the year!

Mrs Tillotson
