

9th December 2022

Dear Parent/Guardian,

This week has seen all year groups celebrating the end of term with a 'Christmas Dinner'. It is rare that a full year group will sit down together to eat and it was lovely to see our pupils enjoying themselves over their lunch and an extremely exciting game of 'Bingo'. I was amazed how many pupils knew all the words to 'Last Christmas' as they sang along to the festive music!!!!!! As always, the pupils were a credit to the school and got involved with the year group celebration.

I wrote to you a few weeks ago about the importance of pupils showing kindness towards each other in school. In the overwhelming majority of cases this is wonderful to see in school on a daily basis and something for us all to be proud of. However, as previously mentioned, I still have real concerns about the way pupils use social media and the opportunities that arise for unkindness to prevail. On occasions, this spills over into school and can become problematic. Please take the opportunity to talk to your child about their social media use and the importance of using social media for kindness, positivity and celebration.

On Wednesday evening we were joined by over 200 pupils and families from Year 7 at our first post Covid Year 7 Social Evening. Miss Cross prepared a superb 'Christmas Quiz', we were treated to a lovely buffet from our catering team and we held a superb raffle with a huge number of prizes. Each form group competed to achieve the highest score and I am pleased to announce that this year's winners were the children and parents from 7H. Congratulations! Many thanks to everyone who attended and supported the evening and for your very generous raffle gifts.

Next week we have a number of end of term rewards trips taking place. Year 7 and 8 are traveling to Blackpool to see the pantomime Cinderella, Year 9 and 10 are visiting Vue Cinema to see the latest Disney film 'Strange World' and Year 11 will spend the morning bowling. On the final day we will be holding our end of term rewards assemblies for the pupils where they will receive a number of certificates for effort and achievement and pastoral awards such as the Head of Year and Headteacher Awards. The final day will be a non-uniform day where a donation of £1 will go towards our chosen charity of Derian House.

On Monday we will receive handover of our new Drama Studio. This is an amazing new teaching space for our pupils and a significant amount of planning and preparation has gone into the successful completion of this wonderful building. Classes will be taught in the new building from January and I will share some photos through the newsletter in the new year with you.

As our 'Year 11 Mock Exams' draw to a close next week, I would like to congratulate again our Year 11 pupils. Their effort, attitude and conduct throughout the mock exam season has been truly commendable. I am confident that this year group will go on to achieve great things in the summer exams.

Pupils in Year 7, 8, 9 and 10 will receive their end of term review next week. Please spend some time going through this report with your child as the new format will give you detailed feedback for every

Headteacher: Mr David Botes

subject about the focus areas of 'Engagement in Learning', 'Homework - Independent study' and 'Behaviour'. These individual scores will generate an overall 'Learning Score' for the term, 100 being the highest score that you can achieve. If you have any questions regarding these reports please contact your child's Head of Year.

As mentioned earlier, this term we have been raising money through our rewards system for Derian House. I am pleased to say that the pupils at Broughton High School have raised £510.17. We will add any donations from the non-uniform day to this total and present the cheque when we return in the new year.

On Monday 12th December we will be holding our annual 'Christmas Concert' in the Junior Dining Hall. Everyone is welcome to attend. This is a free event to attend and tickets are available from Pupil Reception. On Thursday 15th December we will also be visiting the 'Toll Bar Café' in the village and the Co-op from 11.30am with our school band and carol singers. If you are passing please come and join in!

School will finish next Friday at 1.00pm. School will re-open on Tuesday 3rd January at 8.40am.

If you ever need to contact me about any aspect of school life please email me and I will always try to respond as soon as possible (botesd@broughtonhigh.co.uk).

Yours sincerely,

David Botes
Headteacher

Headteacher: Mr David Botes

1. Traditionally, the blues is performed in a **12-bar** pattern.
2. **Chords I, IV & V** (1, 4 and 5) are used in blues music. If you were in the key of C, chord 'I' would be C, chord 'IV' would be F and chord 'V' would be G.
3. The full name for a piano is a '**fortepiano**' because it can play a wide range of dynamics (volumes). **Forte means loud and piano means soft** so the translation is literally a '**loudsoft**'.
4. The most expensive instrument in the world is the "**Lady Blunt**" **Stradivarius Violin** (made in 1721) which last sold in 2011 for almost £10,000,000!
5. A two-beat note is called a **minim**.
6. The long, sustained note played by bagpipes, while the tune is played on the chanter, is called a **drone**.
7. The small lines that sit above or below the staff are called **Ledger Lines**. They are used to sit notes on, above or below.
8. Lots of people consider any music played by an orchestra as 'Classical Music'. However, the classical period was between approximately **1750 and 1820**. Not very long at all!
9. **John Williams** is the prolific composer who is responsible for the soundtracks to Star Wars, Indiana Jones, Jurassic Park, Superman, ET, Harry Potter, Jaws, Home Alone and Schindler's List, amongst many more. John Williams is Mr Shepherd's favourite film composer and still producing incredible film music at 89 years old!
10. **Historically, the flute was made out of wood** but in the 1830s a German musician and inventor called Theobald Boehm created the flute that we recognise today out of metal.

Years 7 and 8

Test on Wednesday 14 December

Year 9

Test on Thursday 15 December

Learn these 10 facts for the test.

How are you going to remember the answers?

- ✓ write them down
- ✓ say them out loud
- ✓ get someone to test you

Sparx Maths

The Maths Department would like to thank pupils for their amazing hard work and consistency with homework this term. 94% of pupils have completed their compulsory homework every week during this period which places the school 37th in the UK. Over 1,000 schools are now signed up for Sparx Maths which puts our completion rate into context! Well done to all pupils and thank you to parents for support in helping and reminding pupils every week.

The pupils below have earned the most XP in each year group. Well done!

Sparx

Year 7 – **Casey Smith**
Year 8 – **Hemanshu Kayam**
Year 9 – **Tamara Winter**
Year 10 – **Jack Lawson**
Year 11 – **Aleeza Hussain**

Mr Peterson

Wellbeing

The festive period can be fun, exciting and a wonderful time. Connecting with the people we love. For some people, however, it can be a very difficult time of year triggering difficult feelings and stresses.

Try to reach out to others they may need to talk.

If you need support over the holidays go to the school website:

- Click on safeguarding
- Scroll down to wellbeing
- Links and services available on this page

Time to take care of your festive wellbeing.

- Keep connected with others or disconnect for a while by turning off your phone.
- Do things that boost your mood.
- Reflect, have some you time.
- Keep active- get outdoors.
- Get your sleep and recharge.
- Try to eat healthy.
- Sing and dance.
- Watch Christmas movies.
- Get crafty or get baking – some nice Christmas delights for friends and family.
- **Christmas Calm and Colour is available in the library.**

MOST OF ALL HAVE FUN!

C. Law , Roots Counselling

Netball

The Year 9 and 10 netball teams have now completed their fixtures for this season. They have faced a challenging group of teams this year however have been committed to all fixtures and worked exceptionally hard. The results of the league are yet to be finalised as some fixtures yet to be played.

Well done to all pupils who have represented the school team.

Opposition	Year 9	Year 10
Longridge	6-13 (lost)	10-12 (lost)
St Cecilia's	0-8 (lost)	5-7 (lost)
Our Lady's	6-10 (lost)	5-9 (lost)
Temple	20-4 (won)	5-8 (lost)

Mrs Hough

Girls' Football - U12

The U12 girls' football team played their Preston Schools League over two weeks at Ashton 3G pitch in some pretty chilly weather! The team was led by captain **Ellie O'Neill**, who did a fantastic job both on and off the pitch, showing excellent leadership skills. We had a very successful first week, working hard for one another as a team and showing excellent support and sportsmanship. We scored a total of nine goals across the three games played last week.

The second week of games saw us face much tougher and physical competition than the first and we had to work hard to stay on our feet and fight for the ball. However, we still came away with a loss, and a win, scoring some incredible goals in each game.

Results:

Week 1

Broughton v Our Lady's Drew 1-1 (Goal scorer = **Isobel Harlow**)
Broughton v Archbishop A Won 2-0 (Goal scorers = **Isobel Harlow, India Thompson-Amrith**)
Broughton v Archbishop B Won 6-1 (Goal scorers = **Isobel Harlow 3, Olivia Newby 2, India Thompson-Amrith 1**)

Team:

Leah Astley, Priya Anantharachagan, Isla Dean, Grace Ashworth, Ellie O'Neill, India Thompson-Amrith, Isobel Harlow, Olivia Newby, Maisie Miller.

Week 2

Broughton v Longridge Lost 5-1
(Goal scorer = **India Thompson-Amrith**)

Broughton v St Cecillas Won 2-0
(Goal scorers = **India Thompson-Amrith, Isobel Harlow**)

Team:

Leah Astley, Isla Dean, Grace Ashworth, Ellie O'Neill, India Thompson-Amrith, Isobel Harlow, Matilda Price, Layla Rice.

Mrs Lupton

Girls' Football - U13

On Tuesday afternoon, 6th December, the girls' U13 6-a-side football team were invited on a tour around Preston North End's Euxton Lane training ground. This was a reward for the girls winning the Utilia Girls' Cup club final and going on to represent PNE in the North West round in January.

The girls got to meet and get autographs and photographs with the 1st team players and manager, and then had a detailed tour of the facilities with the club secretary. It was great to experience a day in the life of an elite footballer and learn about the different elements to their training. We also received complimentary match tickets to watch PNE play Huddersfield in the 3rd round of the FA Cup on Saturday 7th January.

The girls will be competing in the next round of the Utilia Cup on Thursday 12th January in Burnley.

Mrs Rukin

LIBRARY NEWS - HALF TERM 2

The second half term of this academic year has seen lots going on in the library. We have enjoyed welcoming all of our KS3 English classes into the library for dedicated reading time and have seen over 2000 loans since September. Keep up the fantastic reading Broughton!

Our displays and quizzes have seen us marking **Diwali** and **Remembrance Day** (where we looked at all the different ways people choose to mark the day and invited our pupils to write a 'Poppy Poem' on the theme).

November is also **National Non-Fiction Month** so we had a large display of all things factual on the theme of Communication and Pupils were invited to try their hand at our Code-Breaking Challenge to earn themselves a Synergy Point.

Of course, we could not let the month go by without celebrating the **World Cup**. The library has a great selection of Football themed fiction and non-fiction and pupils are still able to get involved by writing a review of any book they are reading to stick on our 'Goal' display. Those reviews that scored well are placed in the back of the goal, those receiving an average score are placed on the crossbar and those (thankfully very few!) receiving negative reviews are placed wide of the mark. Each review earns a Synergy point and all the reviews will be placed in a hat at the end of next week and a winner will be selected at random to receive a signed copy of one of Author **Alan Gibbons'** football themed books.

Finally, we are marking the festive season with our 'Nutcracker' themed display which feature a range of fantastic **Winter Reads**. We have a 'book themed' **Calendar**.

Pupils can also take part in our **Bumper Christmas Book Quiz** and our Library **'Elf on the Shelf'** is back! The first pupil to find the elf in the library each day and identify which book he is reading earns a synergy point. So, there are lots of ways your child can 'Get Involved.'

With the Christmas break coming up, please do encourage pupils to call in and borrow a book or two for the holidays. Any books borrowed now will not be due back until we return in January.

[Book Buzz](#) is a reading programme from Book Trust that aims to help schools inspire a love of reading in year 7 and 8 pupils.

We held our second meeting with our Year 7 and 8 Book Buzz groups this half term, during which we handed out the books they had chosen during our previous meeting. Once again, we enjoyed a breakfast of toast and juice in the library and settled down to enjoy some quality reading time with our selected books. A copy of each book from the list will be available to borrow from the library as from this week. Thanks go, as always, to **Mr Webster** for his time and help with hosting these Book Buzz events.

For further reading activities, suggestions and links why not check out the LRC page on firefly. Keep Reading!

BUS SERVICE RETIMING & REROUTING SERVICE 696 COTTAM VIA CATFORTH

From the 3rd January to 30th April 2023, the 696 service to Broughton High School will be diverted to operate via Sandy Lane and Bartle Lane.

This diversion is due to the closure of Sidgreaves Lane as part of the Preston Western Distributor development.

Please see the revised timetable attached .

Year 10 Boys' Football

The Year 10 boys' football team recently took on a St. Wilfrids team in the Lancashire Cup, played at Witton Park. The boys came away with the win after a hard-fought game saw them finish with a 2-0 win. It wasn't without a battle however, with both teams matching each other physically across the game.

The breakthrough came just before half-time, when a lofted corner was headed home by **Henry Woodall**. The second half was a tight affair, and due to injuries, the boys had to play with a bare eleven. Some exceptional defending, coupled by a workhorse mentality led by **Thomas Sharkey** in midfield, the boys managed to grab a late goal to ensure the victory thanks to a goal from **Antonio-Raul Iglesias-Leeming**. It was a great team effort and the boys did themselves proud and got themselves into the next round of the cup!

MOM: **Harry Bond**.

Big Book Quiz December 2022!

On Thursday 8th December, 14 of our Year 7s took part in the 'Big Book Quiz' of December 2022. Since last half term, we have met weekly to discuss our reading and prepare for the online event.

A number of schools from all over the country competed and our team won! What a fantastic effort - their hard work and avid reading really paid off. We had lots of fun discussing the book and cheering each other on as we showed off our excellent understanding of the texts.

I was very proud of each and every one of them (**Natasha Smith, Lily Sharp- Fisher, Amber Sayed-Jagirdar, Athena He, Sammy Humphrey, Noah Thistlethwaite, Charlie Craven, Leo Eastham, Tabitha Roberts, Lucy Mitchell, Priya Aranthrachagan, Effie Lose-Doyle, Edie Murray, Alice Walmsley**) and it was fantastic to see them all talking so passionately about reading!

The three books this year were: *Peril in Paris* – Katherine Woodfine; *The House with Chicken Legs* – Sophie Anderson; *Stormkeeper's Island* – Catherine Doyle. Please check them out from the library as we all really enjoyed them! Keep reading 😊

Mrs Armstrong

U14 Lancashire Basketball Competition

The boys' U14 team travelled to Bishop Rawsthorne, Croston, for their first game in the Lancashire basketball competition.

The game began at a frenetic pace, with both teams scoring on their first attacks. The first quarter ended with Bishops 4 points ahead.

The pace of the game did not falter, but Broughton stepped up their game in the second and third quarter and put themselves 1 point ahead.

The final quarter was slower and more cagey; Broughton scored to go one point ahead with 30 seconds left on the clock, Bishops broke down court and scored back with just 10 seconds remaining. They won the game by 1 point
35-34.

It was a great game, played at a very high standard, and the Bishops coach was very complimentary of the team.

MVP: **Sam Willingale**

Team: **Tom Irwin, Oliver Bunker, Austin Windle, Terrence Chen, Noah Abraham, Isaac Allen, Abdulla Quareshi, Sam Willingale, Harry Worthington, Laith Banihani, Charlie Hamilton**

EPISODE #12 - LIBRARIAN

NOTICES

Y11 Pupils and Parents

A document from Lancashire County Council has been emailed to all parents with advice on options post 16. Pupils will also have access via Firefly. Please read through the document carefully to explore the variety of options available to your son/daughter. Careers appointments can be booked at pupil reception.

VACANCY

Alliance Learning are an apprenticeship provider. They are keen to make Year 11 pupils aware of the live apprenticeships that they have available. Please note that the engineering vacancies are due to go live in the new year. To browse the live positions or to register an interest, scan the QR code below.

Book Recommendations from Year 7 Pupils

Becoming lifelong readers is something we are incredibly passionate about at Broughton, and we are always trying to instil a love a reading. Sometimes the challenge can be finding a book that will be enjoyable and I often share with the pupils how I rely on my friends to help me with my choices. To help combat this problem for our Year 7s, this half term, 7ED have been recommending books to each other I have been really impressed with range of genres. I hope they will provide useful for many of you. Well done for your reading habits, Year 7, keep it up!

Mrs Armstrong

Isabel Meakin Recommends....

The Christmas Pig by J.K. Rowling

"I like this book because it reminds me of a childhood time when you had a favourite toy and you would take it everywhere with you and would never let it out of your sight. It is all about Christmas and Christmas is my favourite time of year! I recommend this book to children over the age of 10."

Charlotte Lowe and Natasha Smith Recommend....

The Boy at the Back of the Class by Onjali Rauf

"The book that I recommend is 'The Boy At The Back Of The Class by Onjali Q Rauf' because it is an adventurous story with plot twists, friendship, and action. The genre of this book is fiction and adventure. I enjoyed this book because it made me think deeper about the lives of refugees and what things they went through, how the boy in the book lost all hope and his family. I would recommend this book to Year 7 and Year 8 pupils who like interesting experiences and learning about refugees."

Oliver Richardson Recommends....

Percy Jackson By Rick Riordan

"I would recommend this book because it is action packed and also it's full of mysteries and surprises. The reason I loved this series of books is because there are many different settings where the wars break out even including Olympus. It is about the war between the Greek Gods and their sons or daughters called demigods or half bloods against the monsters and evil gods. I would recommend this book to any Year 7s interested in mythology, action and puzzles."

Evan Wallace Recommends....

When The World Was Ours- Liz Kessler

"I enjoyed this book because of the constant thrilling twists, the time it is set (World War 2) and most of all the complex characters who you can really invest in.

I would recommend this book to Year 7s interested into recent history (specifically world war two) and who may like dark periods in a story."

Caelan Watts Recommends....

Wolf Boy by Michelle Paver

"I would recommend this book to people who like magical and mystical books. You can always read more because it's an entire series. I enjoyed this book because I like fantasy and magical properties."

Jack Hamilton Recommends....

Auggie and Me by R. J. Palacio

"This is filled with surprising and heart-warming content. I enjoyed this book because I love the popular Wonder book, and this tells the same story but from different characters' viewpoints.

I would recommend this to anybody in year 7 and 8 who has watched and read Wonder."

Aliyah Ahmed Recommends...

Harry Potter and The Philosophers Stone' by J.K. Rowling

"The book that I am recommending is called 'Harry Potter and The Philosophers Stone' by J.K. Rowling. It is a fantasy literature book. I enjoyed this book because it has a lot of adventure and mystery in it. Once you have started reading it, you literally can't stop."

Mason Church Recommends....

Terry Denton's Really Truly Amazing Guide to Everything

"I enjoyed this book not only because I like science but it taught me many facts - my favourite being that if you had a flying car that travelled 1,000km a second it would take you 20 trillion years to get to the other side of the universe."

Dear Parents/Guardians,

Re: Increase in scarlet fever

We are writing to inform you of a recent [national/local] increase in notifications of scarlet fever to the UK Health Security Agency (UKHSA), above seasonal expected levels.

We would like to take this opportunity to remind you of the signs, symptoms and the actions to be taken if you think that you or your child might have scarlet fever.

Signs and symptoms of scarlet fever

Scarlet fever is a common childhood infection caused by *Streptococcus pyogenes*, or group A Streptococcus (GAS). It is not usually serious, but should be treated with antibiotics to reduce the risk of complications (such as pneumonia) and spread to others. The early symptoms of scarlet fever include sore throat, headache, fever, nausea and vomiting. After 12 to 48 hours, the characteristic red, pinhead rash develops, typically first appearing on the chest and stomach, then rapidly spreading to other parts of the body, and giving the skin a sandpaper-like texture. The scarlet rash may be harder to spot on darker skin, although the 'sandpaper' feel should be present. Patients typically have flushed cheeks and be pale around the mouth. This may be accompanied by a bright red 'strawberry' tongue.

If you think you, or your child, might have scarlet fever:

- contact your GP or NHS 111 as soon as possible
- make sure that you or your child take(s) the full course of any antibiotics prescribed. Although you or your child will feel better soon after starting the course of antibiotics, you must complete the course to ensure that you do not carry the bacteria in your throat after you have recovered
- stay at home, away from nursery, school or work for at least 24 hours after starting the antibiotic treatment, to avoid spreading the infection

You can help stop the spread of infection through frequent hand washing and by not sharing eating utensils, clothes, bedding and towels. All contaminated tissues should be disposed of immediately.

Invasive Group A Strep (iGAS)

The same bacteria which cause scarlet fever can also cause a range of other types of infection such as skin infections (impetigo) and sore throat. In very rare cases, the bacteria can get into the bloodstream and cause an illness called invasive group A strep (iGAS). Whilst still very uncommon, there has been an increase in iGAS cases this year, particularly in children under 10 years old. It is very rare for children with scarlet fever to develop iGAS infection.

As a parent, you should trust your own judgement.

Contact NHS 111 or your GP if:

- your child is getting worse
- your child is feeding or eating much less than normal
- your child has had a dry nappy for 12 hours or more or shows other signs of dehydration
- your baby is under 3 months and has a temperature of 38C, or is older than 3 months and has a temperature of 39C or higher
- your baby feels hotter than usual when you touch their back or chest, or feels sweaty
- your child is very tired or irritable

Call 999 or go to A&E if:

- your child is having difficulty breathing – you may notice grunting noises or their tummy sucking under their ribs
- there are pauses when your child breathes
- your child's skin, tongue or lips are blue
- your child is floppy and will not wake up or stay awake

Stop the spread

During periods of high incidence of scarlet fever, there may also be an increase in outbreaks in schools, nurseries and other childcare settings. Children and adults with suspected scarlet fever should stay off nursery / school / work until **24 hours** after the start of appropriate antibiotic treatment. Good hygiene practice such as hand washing remains the most important step in preventing and controlling spread of infection.
