

21<sup>st</sup> October 2022

Dear Parents,

As you are aware, the school had a full Ofsted Inspection, earlier this term on Tuesday 27<sup>th</sup> September and Wednesday 28<sup>th</sup> September 2022. We were visited by a team of four inspectors who conducted an extremely rigorous process of visiting a significant number of lessons, speaking to staff, pupils and governors and scrutinising our whole school curriculum. I am now able to share the report with you and the outcome of our full Section 5 Graded Inspection.

A copy of the report is available on our website: [Ofsted Inspection Report - Broughton High School - September 2022](#)

The school has not been inspected since February 2012 and we are extremely proud to inform you that the overall judgement under the new OFSTED framework is that Broughton High School is an 'OUTSTANDING' school.

The summary evaluation of the inspection is as follows:

Overall effectiveness:	<b>Outstanding</b>
The quality of education:	<b>Outstanding</b>
Behaviour and attitudes:	<b>Outstanding</b>
Personal development:	<b>Outstanding</b>
Leadership and management:	<b>Outstanding</b>

The report is certainly worth a more thorough read as it is overwhelmingly positive and reflects our wonderful pupils and the amazing successes that they achieve here at Broughton High School. It highlights that '**Clear and high ambitions are set for pupils, grounded in the school motto 'achieving together'**'. It also highlights our superb staff who use their expertise to ensure pupils are supported to achieve exceptionally well. The report recognises that '**Pupils at this school are provided with an exceptional education**'. Something we are extremely proud of.

Under the new inspection framework, it is extremely rare for a school to be graded 'Outstanding' in all areas. Undoubtedly, this has been achieved with a significant amount of hard work from pupils, parents, staff and governors and I would like to take this opportunity to congratulate all members of our school community on this amazing achievement.

I was especially proud, as I am on a daily basis, of the feedback received from inspectors about our amazing pupils. Inspectors repeatedly praised your children for their manners, their thirst for learning, their excellent behaviour, their enthusiasm about school, their passion for 'getting involved', their uniform and their confidence to speak to visitors in school. As always, our pupils are a credit to the school.

Many thanks for your continued support.
