

22th September 2023

Dear Parent/Guardian,

Last Thursday we held our annual 'Open Evening' and welcomed a huge number of prospective families to our school. With over 300 pupils helping out in all departments across the school on the evening there was an amazing atmosphere around school. It was a pleasure to meet so many new families to Broughton but also to see so many existing families on the evening. I look forward to meeting many of them again as members of our school community next September. It was lovely to receive so many emails after the event which highlighted our amazing pupils and friendly, welcoming staff.

On Monday, we held our annual 'Open Day' which was also extremely well attended. The wet and windy weather didn't put any of our visitors off and we were inundated with guests throughout the morning. Families were shown around school by our team of expert senior pupils and were able to visit lessons and speak to current pupils and teachers. The feedback from our visitors was extremely positive.

This week, on Thursday evening, we held the first PTFA meeting for this academic year. It was a very positive and well attended meeting with a number of new Year 7 parents joining. Jacqui Bury has stepped down from her role as PTFA Chair with Anthony Mellor taking on this role. Helen Peuleve stepped down as PTFA Secretary and Amy Leyland will now take on this position. I would like to thank Jacqui and Helen for their long service and commitment to the PTFA. Thank you also to all the new members who attended the meeting; we would be delighted to see even more new members at the next PTFA meeting which will be held later in the Autumn term - details will be included in a future newsletter.

Attendance continues to be a real focus in school and we are pleased to see that our whole school attendance continues to be extremely impressive and significantly above the National Average. Attending school every day is one of the most important factors that allows pupils to make the necessary academic progress. Thank you for your continued efforts to ensure your children are in school every day. Attendance figures so far in school are:

<i>Whole School Attendance</i>	98%
Year 7	98.8%
Year 8	97.9%
Year 9	98.5%
Year 10	97.6%
Year 11	97%

If your child cycles to school please can you remind them that a fastened helmet must be worn at all times for the whole of the duration to and from school. As the mornings and evenings get darker it is also advised to purchase lights for your child's bike to make them more visible to drivers and pedestrians. Please also remind your child to cycle safely at all times, not only for themselves but for other cyclists, pedestrians and motorists.

Our Year 11 pupils have been completing their Geography field work at the River Wyre. Three visits were held over the last two weeks, with a total of 94 pupils studying depth, width and velocity. They have had a wonderful learning experience as a result of these trips, developing into competent Geographers whilst being excellent ambassadors for our school.

Headteacher: Mr David Botes

Our reading curriculum is a real strength here at Broughton and it continues to be an extremely important part of every child's development. We have made some excellent reading improvements again this year, both in lessons, as part of the 'Best of Broughton' award and also in our library. We highly value the importance of reading here at Broughton and would strongly encourage you to help your child to read as often and as widely as possible.

If you have noticed that reading at home is not as popular as it once was, here are a few ideas to get your child reading again:

- Keep reading material all over the house.
- Model reading. If your son/daughter sees you reading, conversation naturally follows.
- Graphic novels (comics) are now recognised as literature; they may be the key to getting your teenager hooked on books.
- Merge movies with books. Offer your son or daughter the print version to read before a big film adaptation comes out on film.
- Buy them a book as a present. Any number of websites recommend books for teenagers.
- Ask your son/daughter to tell you something (characters/plot/twist) about the book they are currently reading.

Any additional reading at home will definitely complement the work done in school. Reading continues to be an extremely important part of every child's development. Our library is open at lunchtime and after school (Monday-Thursday 3pm-4.15pm and 3pm-3.45pm Friday).

The standard of our pupil's uniform is exceptional. Our pupils look extremely smart every day and I thank you for your support in ensuring that all pupils wear their uniform correctly and with pride both on their way to school, during the school day and on their way home. If you are ever struggling with acquiring uniform please contact us at school and we will always help. Thank you to all parents who have sent in 'new unused' and 'nearly new' uniform and PE kit. Please contact Mrs Dumbell dumbellr@broughtonhigh.co.uk or Miss Cross cross@broughtonhigh.co.uk if you ever require any assistance for uniform/replacements. As the weather turns a little colder please can I remind you that school coats must be plain black, dark grey or blue.

Key dates are as follows:

Year 7 Parents' Evening with Form Tutors	Thursday 12 October 2023
Year 11 Parents' Evening	Thursday 2 November 2023
Year 11 Parents' Evening	Thursday 8 February 2024
Year 10 Parents' Evening	Thursday 14 March 2024
Year 7 Parents' Evening	Thursday 28 March 2024
Year 9 Parents' & Options Evening	Thursday 18 April 2024
Year 8 Parents' Evening	Thursday 25 April 2024

Yours sincerely,

Mr David Botes
Headteacher

Learn it CHALLENGE

Every week, pupils in **Years 7, 8 and 9** will be given **10** different, relevant facts, with the challenge of learning and remembering all ten facts for the following week, when they will be tested on them by their form tutor.

The first challenge questions have been set (pupils can access the challenge via Firefly) and the test will be next week.

Years 7 and 8
Wednesday 27th Sept

Year 9
Thursday 28th Sept

- 
1. In what part of the body would you find the **fibula**?
 2. What is the chemical symbol for **silver**?
 3. What is **seven cubed**?
 4. What does the Latin '**Tempus**' mean in English?
 5. Name the **five colours** of the Olympic rings.
 6. Which Southern Italian city is usually credited as the birthplace of **pizza**?
 7. What do the French call the **English Channel**?
 8. How many **notes** are there in a **musical scale**?
 9. What **company** is also the name of one of the **longest rivers** in the world?
 10. Which two houses were involved in the **War of the Roses**?

September
Week 3

Years
7, 8 and 9

Years 7 and 8
Launch on
Wed 20 Sept 2023
Test on
Wed 27 Sept 2023

Year 9
Launch on
Thurs 21 Sept 2023
Test on
Thurs 28 Sept 2023

1. The **fibula** is in the **leg**.
2. **Ag** is the chemical symbol for **silver**.
3. **Seven cubed** is **343**.
4. The Latin word '**Tempus**' means **time**.
5. The colours of the Olympic rings are **Blue, Yellow, Black, Green and Red**.
6. **Naples** is usually credited as being the birthplace of **pizza**.
7. **The French** refer to the English Channel as **La Manche**.
8. There are **seven** notes in a **musical scale**.
9. **Amazon** is the name of a **company** and also one of the **world's longest rivers**.
10. The houses of **Lancaster** and **York** fought in the **War of the Roses** (1455 – 1485).

**LEARN
THEM!**

Every week thereafter, there will be a new set of questions/answers set.

Why are we doing this?

- essential practice for exams
- learning relevant, factual information
- rote learning is good for pupils
- acquiring some general knowledge

Will Rainford (7C) Fundraising for the Rosemere Cancer Foundation

I was delighted to hear recently about Will's fundraising for a very worthy cause. Will wanted to raise some money on his own for the Rosemere Cancer Foundation, and as a budding entrepreneur, whose ambition is to one day run his own business, he has proved he already knows how to make a profit! Will converted a garden shed at his home in Woodplumpton into a charity shop and stocked it with his own range of hand-made craft items. By selling sunflower seeds, organising a raffle and organising and hosting two garden parties, Will has turned over £416.61, which he has donated to the Rosemere Cancer Foundation. Very well done Will!

Miss Ives

Assignments (Homework)

Accessing homework ...

Homework on Synergy is now called Assignments, all of which will now be set on Synergy. Some teachers will ask pupils to submit their assignments through Synergy whilst others will just set tasks to be completed in exercise books or on other websites for example Seneca or Sparx.

1. Click on the menu and select 'Assignments'.
2. Pupils will then see a list of all of their current tasks with the most recent first.
3. Click the task to expand the information to see the full instructions, resources.
4. **IMPORTANT:** Once work has been completed/submitted, tick the 'To Do' box to clear the homework from the 'current' list.

Mr Brandwood

IDEA.org.uk Homework
 IDEA.org.uk Homework.
Set: Monday 18 Sep
Due: Monday 25 Sep
Teacher: Mr Parkin
Teacher Status: -

Instructions
 1. Go to IDEA.org.uk
 2. Click 'Log in' (top-right)
 3. Your email is your school email
 4. Your password is your username plus '@BH' ...for example: 20park@BH
 5. Click on the **GREEN Worker** tab and choose the **Digital Careers** badge.
 Please try this before the weekend, so you can see me if you have any issues.

This is due to be completed by Monday 25th September.

Year 7 Science - Revision Guides

This week all Year 7 pupils will be issued with a Key Stage Three CGP Science revision guide.

This book should be used as an additional resource in preparation for all Science assessments.

It is important to remember that this book is for the whole of Key Stage Three and should be retained until the end of Year 9.

Miss Taylor

SEND Newsletter - Autumn 2023

The Autumn 2023 issue of the SEND newsletter is available now via this link:

[SEND Newsletter - Autumn 2023](#)

SEND Support

I offer a 'SEND drop in' every Wednesday between 3pm and 4pm.

I am **also available to speak to on the phone** (tel: 01772 863849) so parents can make an appointment for a conversation at a mutually convenient time.

Mrs Hardman, SENDCo

Bronze and Silver Cooking Award

Congratulations to **Xavier Alldrick** (Year 8) who completed the Bronze Cooking Award when he was in Year 7 with an impressive range of dishes from Peruvian Alfajores to Greek Kleftico. In addition to his culinary skills, Xavier completed a detailed booklet of each of his dishes.

His enthusiasm for cooking extended to the Summer holidays and he has now completed his Silver Award. Congratulations Xavier on a super achievement - keep on cooking!

Mrs Newton

Athletics Success

On Saturday, 9th September, **Molly Taylor** (10S) took part in the North West Road Relays.

The team of three girls came **3rd in Lancashire** receiving a medal and they go through to the Northern Athletics Road Relay later in the month.

Molly's individual time made her fastest in Preston and Lancashire for Under 15 girls. Very well done!

Mrs Lupton

Synergy Update

At the start of term all pupils have been encouraged to download the **Synergy Student App**. This is so they can keep track of their behaviour points, attendance, notifications and new this term their **homework**. This is the notice we have shared in school.

You now have access to the School Synergy Student App. Your tutor will organise a time for you to download and set this up on your phone. For this year homework will also be recorded on the app as well as attendance, behaviour points and messages.

**Welcome to your
New Student Portal**

You can simply download the App from the Android or Apple app store, select our school then login use your existing school Microsoft email and password.
Google: <https://play.google.com/store/apps/details?id=com.synergy.student>
Apple: <https://apps.apple.com/gb/app/synergy-student/id6444856817>

SCHOOL SYNERGY

Please could I ask you to check that your child has now downloaded and is using the app to keep up-to-date.

As parents you can also now see homework set by clicking the top left bar and choosing 'Assignments'. If you have not already download it, using the **Parent App** is a much easier way to keep up-to-date with important school information, newsletters and your child's dashboard.

If you need any help required with the App please contact school.

Mr Brandwood

New for 2023 The Best of Broughton: The Book Edition

New for the 2023 academic year, we are thrilled to announce the 'Best of Broughton: Book Edition'! Specially curated by Year 8 and Year 10 Reading Ambassadors, teacher recommendations across the school and Mrs Whitlock's extensive knowledge, each year group now has their very own Best of Broughton reading list.

As part of the coveted Best of Broughton award criteria, pupils are required to read 3 books from their year group list.

The list for each year group has been handed out during tutor time and should be in all pupil planners.

All books are available from the library, but inevitably some books may require a short wait due to popularity.

All reading lists are available at the end the newsletter and on the school website so you can help your child make informed choices about the best book for them.

Mrs Armstrong

Year 8 Reading Ambassador ... *Recommended Read*

The Call of The Wild by Jack London.

This was quite sad; it was about a stolen dog in Northern Canada.

Wellbeing

This week is all about finding the right balance for you.

School life balance

What do you need to do?

- Plan and set goals
- Set a weekly to do list
- Avoid perfectionism
- Set standards that are high but achievable
- Prioritise your work
- Monitor positive and negative thoughts
- View mistakes as an opportunity for learning and growth
- Enjoy the process, not just the outcome.

Your Time at home

Make some time – look after you.

- Get enough sleep
- Exercise
- Find ways to relax
- Eat a healthy diet
- Listen to music
- Find a hobby
- Ask for help
- Spend time with family and friends
- Surround yourself with supportive people
- Practice positive talk
- Have fun
- Bond with a pet
- Turn off your phone

C Law, Roots Counselling

Year 7 Trip to Rock and River

On Monday 11th and Tuesday 12th September, our new Year 7 pupils attended Rock and River in Mawdesley, for our inaugural Induction Day Trip which was action packed and full of adventure. Pupils took part in a variety of activities including Orienteering, Paddle Boarding, Zip-line, Tower Climbing, Low Ropes and to test everyone's nerves of steel ... the Airbag Jump.

Both days were a huge success in which all pupils appeared to thoroughly enjoy their time together. New friendships were formed and pupils improved their communication and team work skills across the activities covered.

Year 8 Reading Ambassador ... *Recommended Read*

Loki - A bad god's guide to ruling the world. This was very funny!

GET INVOLVED AT BROUGHTON!

We have a wide range of extra-curricular activities for pupils to take part in.

Activities are held every day of the week ... at break, lunch and after school.

**'The more you do,
the more you achieve'**

The extra-curricular provision at Broughton is outstanding. [Please click the link below](#) to see the **extensive schedule of activities** held at break times, lunch times and after school.

[Extra-Curricular Activities at Broughton High School](#)

Late Bus

The late bus **operates every Tuesday, Wednesday and Thursday** at a charge of 60p per pupil per journey. Pupils are able to use their bus passes and return tickets.

The service **departs from Broughton at 4.25pm**, allowing pupils to stay late to complete school work or participate in sports activities after school.

The route of the bus is:

From Broughton High School via Woodplumpton Lane, Whittle Hill, Woodplumpton Village, Tabley Lane, Nog Tow, Tom Benson Way, Merry Trees Lane (Ancient Oak) Cottam, Tom Benson Way, Tanterton Hall Road, Tag Lane, Woodplumpton Road, Cadley Causeway, Black Bull Lane, Sharoe Green Lane, Sherwood Way, Eastway (Asda), Longsands Lane to Longsands, Anderton Arms.

Broughton High School	16.25	Fulwood, Leisure Centre	17.02
Woodplumpton, Whittle Green	16.35	Black Bull	17.04
Nog Tow	16.40	Sharoe Green Lane, Booths	17.07
Wychnor, Turning Circle	16.45	Sherwood Way	17.10
Merry Trees Lane (Ancient Oak)	16.50	Longsands, Anderton Arms	17.17
Ingol, Cottam Avenue	16.57		

Year 8 Reading Ambassador ... *Recommended Read*

I would recommend the Harry Potter series. I recently started reading the first book after watching the movies and it was an even more exciting experience reading it.

Netball News

This week, Year 11 began their netball league and played three fixtures. The team was as keen as ever and gave excellent performances.

Their opening game was against Archbishop Temple, a challenging start but nonetheless a very impressive performance, not reflected by the score! **Imogen Wren** had an exceptional performance, playing not only out of position but also GS. The final score was 13-5 to Temple.

The second game of the week was against Ashton. A very physical game but our Year 11 team demonstrated fantastic tenacity and sportsmanship with a well-deserved win of 5-4 to Broughton.

The final game of the week was against Our Lady's. The A team were well matched by the opposition. A very close and tense game where both teams played remarkably well. Moments before the final whistle, the ball was received in our shooting circle and before the shot could be taken the whistle blew and time was called. The final score was 6-5 to Our Lady's. **Katie Mann was awarded player of the match.**

A second Year 11 Broughton team also had an opportunity to represent the school. With little experience playing together as a team, the pupils were able to build their confidence as a team and made exceptional progress throughout the game. The final score was 12-2 to Broughton. **Jasmine Hurst was player of the match.**

P.T.F.A

JOIN US!

We encourage you to **get involved** with Broughton High School's PTFA.

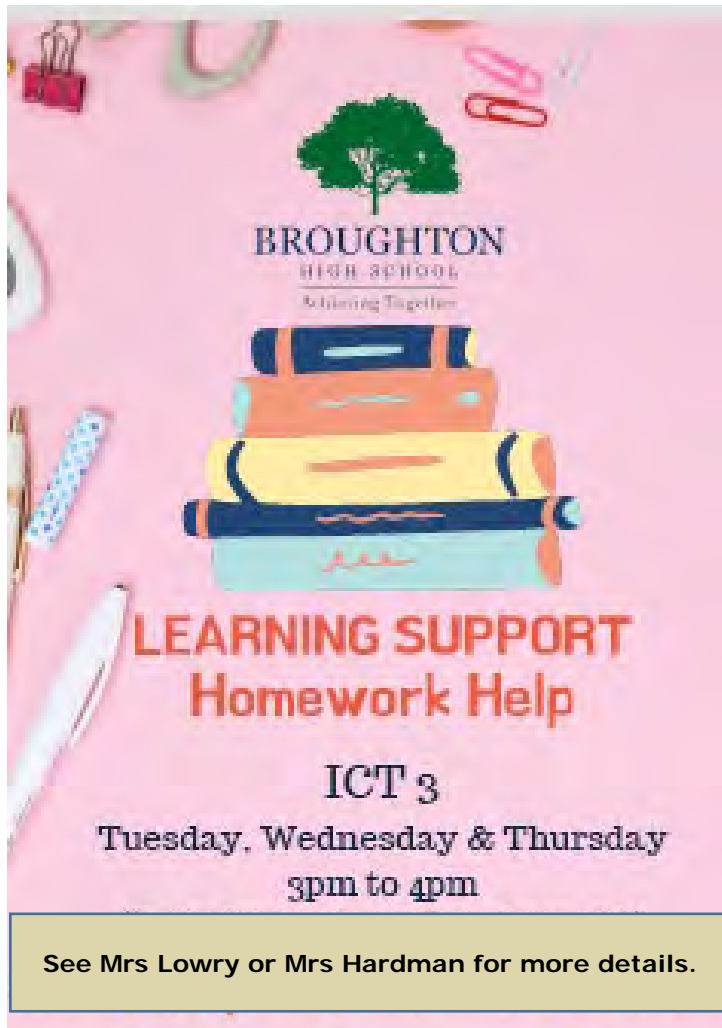

We **meet approximately 3 times a year** with the direct purpose of raising money that goes directly back into the equipment and environment for the pupils of Broughton High School. Meetings never last more than an hour; they are really relaxed and friendly and you even get a cup of tea and a piece of cake!

Members of the PTFA can contribute in a variety of ways to improve Broughton **for the benefit of all children.** Over recent years, the PTFA have organised fundraising events such as Family Social events, Easter Bingo, Sponsored Walks and more; this has enabled school to enhance school facilities and purchase equipment for pupils to enjoy.

We hope you will join the PTFA; it is a great opportunity to **help with fundraising** and discuss any ideas that you might have.

**PLEASE COME ALONG TO THE NEXT MEETING
... YOU WILL BE MADE TO FEEL VERY WELCOME**

Y11 Geographers Complete their River Study

Over the last two weeks, 94 Year 11 GCSE Geographers have completed the physical aspect of their fieldwork. Firstly, I must say a massive thank you to all of the staff and pupils on the visits as the weather conditions proved to be quite challenging at times to say the least. My initial worry of low water levels on 13th September, quickly changed to having to check the rainfall totals and rivers every thirty minutes! In all our years of carrying out the river study at the same location, we have never seen conditions like it. However, all pupils just seemed to take collecting velocity readings in driving horizontal rainfall in their stride. Despite the weather, we managed to carry out most of the data collection methods and collect some data which we will now analyse in class.

On Wednesday 20th September, we were joined by **Graeme Kellott, Asset Manager for the Wyre River Basin from the Environment Agency**, at the flood defences at Garstang. He explained how the drainage system works and pointed out the reflective spot underneath the bridge, which when underwater, is the sign to raise the flood barrier. It was fantastic to hear that level of specific detail which helps to bring our case studies to life.

Thank you to the staff who helped to run the days - **Mr Lord, Miss Wright and Mr Ellis**.

Yr 11 French Listening Club

"Elevate your écoute!"

We are excited to introduce a new and engaging opportunity for Year 11 pupils to excel in the French language ... the "Elevate your écoute!" French Listening Club.

Are you looking to enhance your listening skills in French to support your preparation for the GCSE exam? This club is designed for you!

The Importance of Listening Skills for the exam:

The listening component accounts for 25% of your overall grade. Here's what we offer:

 **Listening Excellence:** Our club focuses on honing your listening techniques, making you more proficient in understanding spoken French.

 **Vocabulary Expansion:** Through immersive activities, you'll encounter new words and phrases, enriching your French vocabulary.

 **Confidence Building:** Gain confidence in comprehending spoken French, a skill that's invaluable for exams and real-life conversations.

 **Cultural Exploration:** Immerse yourself in the sounds of French culture and language through authentic audio materials.

 **Interactive Learning:** Enjoy interactive sessions with like-minded peers who share your passion for French.

Join Us on Thursdays:

Time: 13h30 - 13h50 (you can bring your lunch)

Location: Room MFL3

Parents, we encourage you to support your child's language journey by sharing this opportunity with them. Learning French is not just about textbooks, it's about experiencing the language in action.
