

## Homework in ART

All Art homework is purposeful and supports learning. It is never set for the sake of setting homework. Art homework should be accessible for all pupils.

If a pupil fails to meet a homework deadline, or if homework is completed to a poor standard, a warning will be issued on Synergy in the first instance. If this happens again in the same half term, the pupil will be given a detention with the class teacher. The intention of this detention is not to be punitive but rather to support the pupil in completing the work on time and to the required standard.

### **What does homework look like in KS3 Art?**

KS3 pupils receive approximately two homework assignments per term which link to and support, enrich or extend the main art curriculum delivered in lessons.

Pupils are expected to spend approximately 20 minutes on art homework per week; therefore, if the task is estimated to take 60 mins, 3 weeks will be designated to complete it. Art Homework tasks are varied but accessible to all.

Homework tasks are issued to KS3 pupils with visual communication, detailed exposition, success criteria, exemplars and reference material they can access at home (PPT slide snips, exemplars uploaded on Teams or Synergy). Teachers specify whether a particular task should be uploaded digitally or physically submitted.
