

# YOUR PTFA Spark

September  
2023

Hello and welcome to this first edition of your regular **PTFA Spark**.

Here, we will bring you up-to-date with PTFA happenings, meetings, plans and purchases, all aimed at improving the pupil experience within our outstanding Broughton High School.

Things have been pretty limiting over the last couple of years due to Covid restrictions. However, the PTFA have continued to do their best to support our children.

On your behalf we have assisted in the purchase of a number of items including chunky outdoor table tennis tables, sports kit and the development of a wonderful 'quiet area' in the school yard.

Not resting on the recent OFSTED outstanding school judgment, our Headteacher Mr Botes and his staff are committed to making our school ever better and has many fantastic ideas on how to make the school experience even better for everyone.

To help with this, we very much hope you will be able to make those ideas reality by supporting **a new fun initiative called *the 100 club***.

It is a private lottery, only open to those closely connected to the school, and for a cost of as little as 50p per week you will get the chance of winning one of three cash prizes which will be drawn each month. We will be bringing more details of how you can get involved soon!

With your help by supporting the 100 club, I am sure the PTFA can contribute to improving the experience for all pupils at Broughton High School.

Yours sincerely

PTFA Chair
